IN HONOR OF

MRS. M.K. SINCLAIR,SR.

Mrs. M.K. (Minnie) Sinclair, Sr., daughter of William and Susan Newman Bagwell, is the widow of M.K. Sinclair, Sr., who went to live with his Lord in May, 1971. They have five children, William Edgar Sinclair, deceased; Rev. Clarence Hammond Sinclair, Broadview, Illinois; Martha Sinclair, East Flat Rock; M.K. Sinclair,Jr., Hendersonville; and Betty Sinclair Franks, Erie Pa. Mrs. Sinclair is a graduate of Fruitland Baptist Bible Institute.

For 25 years she worked in every area of mission work in the First Baptist Church of Enoree, SC. In May 1937 she became a member of the First Baptist Church of East Flat Rock and continute to work in all mission organizations. In 1938 she was elected President of the Woman's Missionary Society of East Flat Rock and served in this capacity until 1949. For over 50 years she taught in Sunday School, Church Training and Sumbeams. Her special interest has always been the youth.

In 1946 Mrs. Sinclair was elected Associational Woman's Missionary Union Superintedent. At the 1958 Annual Meeting of the Carolina Baptist Association Woman's Missionary Union, Mrs. W.A. Garren presented a WMU Bible to the retiring Superintendent, Mrs. Sinclair. The incoming Superintendent referred to these as 12 years of loving service - the "Growth Years." From a beginning of 18 churches with WMU it had grown to 37 churches with WMS and 24 Youth organizations.

"For over 60 years she has served us and served us well,
The good you have done, only eternity will tell;
You have always said, 'On the needs of others, we must dwell.'
Many, many miles you have traveled of Missions to tell.
You have worked with all your might
Many times you worked far into the night
That others might see the Wonderous Light,
Turn to Christ for Salvation and Live Right.

Whether the group was very young or old
You would urge them to give God their lives to mold
You would tell them of things more valuable than gold
The History of Missions many times you have told."

In 1961 Mrs. Sinclair was appointed to a committee to write the history of Carolina WMU. This 50 Year History of Woman's Missionary Union, Auxillary, Carolina Baptist Association , published in 1962, ended with this quote described as appropriate,it is equally appropriate today and we again use this quote as we DEDICATE THESE 1981 MINUTES OF CAROLINA BAPTIST ASSOCIATION in HONOR OF MRS. M.K. SINCLAIR, SR.

"I saw tomorrow passing by, in little children's feet
And in their forms and faces, read her prophecy complete.
I saw tomorrow look at me, from little children's eyes,
And thought how carefully we would teach, If we were wise."

   Whereas, the promotion of pornography is in direct contradiction of Biblical morality; and
   Whereas, the moral decline of our country is indicated by the increased exploitation of children in pornography;
   Be it therefore resolved that the messengers of the Carolina Baptist Associational Meeting in its Annual 1981 Meeting, encourage the churches of this Association to do all in their power and influence to curtail the growth and spread of this filth in our stores and news stands.

2. Whereas, the family has been clearly defined in God's Word and accepted as God's instrument established to propagate the world.
   Whereas, American family values are being threatened and families need affirmation by the Christian community; and
   Whereas, the Southern Baptist Convention has voted to launch in 1982 a three-year emphasis on Strengthening Families;
   Be it therefore resolved that we urge all churches of our Association and families to engage in activities and instruction to further the Strengthening Families Emphasis, and
   Be it further resolved that we urge families to establish and maintain vital relationships with God and each other through prayer and the study of God's Word, and
   Be it finally resolved that the Church be the part of the solution rather than adding to the problem of the family by showing loving concern for our Christian family.

3. That the Carolina Baptist Association in its 104th Annual Meeting October 26, 27, 1981
   1. Express grateful appreciation to the members of Beulah Baptist Church and the Ebenezer Baptist Church for their hospitality extended to the messengers of the Association.
   2. We also express our deep appreciation to the Ebenezer Church for the delicious meal they served to the messengers and visitors.

5. We resolve to support the work of the Association and undergird it with our prayers and financial assistance.
6. We express our appreciation for the message that has been given by Rev. Ray Linville and for the anticipated blessing we will receive from the message by Dr. Lawrence Childs, Director of Missions of the Mecklenburg Association.
7. We also express our appreciation to the Committee on Order of Business for arranging an open, informative and stimulating program.

24. A motion was made to present the two previous resolutions to news media as to our stand on these subjects. Approved.
25. Evangelism Report: James Byrd presented the Evangelism Report as printed on A-18 Book of Reports. He also told of the Here's Hope Evangelistic Crusade and gave the goal of the Committee.
26. Director of Missions: Ron Pinkerton gave a very informative and challenging report of the work in the Association. He challenged the churches to move forward in all areas of work for the Lord in our area. We stand at a crossroads to do, but we need commitment to grow and reach those needed to be reached.
27. The Home Mission Board Film was shown, "Come See This Land." This film surely challenged us to deeper commitment to work harder for our Lord.

32. Rev. Jerry White, host pastor, led in closing prayer.

DIRECTOR OF MISSIONS REPORT

At the annual meeting last year we voted to change the structure of our association. During the year we have tried to implement this new structure and, at times, there has been uncertainty as we moved from the familiar ways to the new ways of work, but the system has worked well so far. One change which became necessary was the election of a person to coordinate and direct each of the council areas. This change has been incorporated in the proposed constitution and people to fill those positions will be nominated by the Nominating Committee.

Growth pains developed this year as we adopted an expanded program but finances did not come in from the churches to support the expansion. As a result, the entire year has been a financial crisis. Offerings taken during Associational Emphasis Week in May helped us to survive. A special effort made by several churches allowed me to attend the Southern Baptist Convention because money was not available from our treasury. Changing our budget year from September - September to January - January should help financially. Very few churches had increased their giving by September so we operated four months on an increased budget before many of the churches increased their gifts to the association in January.

Reports of increases in our churches for the coming year have been very significant, so the future looks much brighter.

In February and March we did a study of our Associational growth. We found that Sunday School attendance was essentially the same in 1980 as it was in 1960. Our area has experienced a 50% growth since 1960 and continues to grow at a rapid rate. The study showed that on an average Sunday only 14,000 out of 58,000 attended church and 20,000 were not affiliated with any church. One of the greatest challenges our association and its churches has to face is the sharing of the love of Jesus Christ with these people.

If we are going to meet this challenge, we will have to expand our vision and move beyond the attitudes and patterns of the last 20 years. We will have to facilitate growth inside our churches. We will have to start new ministries to special groups of people to let them know the church really is the instrument of Christ's love. Above all else, each of us must accept our individual responsibility to share the love of Christ with our friends. A serious and conscientious effort to do this would probably have a more far reaching effect than any program that could be developed.

A sigh of relief was felt when the Association paid the note on the camp. The comp is ours!! There will be continued financial needs to maintain the camp and make it more usable. The Camp Council has been expanded to have more representation from our churches and to make careful plans for expanding our camp ministry.

We are entering a new area of association work this coming year with the establishment of a Family Life Committee. We will look to them for leadership in ministering more effectively and to help us find ways to strengthen family life in an era when so many families are torn apart.

As I have visited all of our churches once, and most of them at least twice, it is exciting to be a part of a group of churches who are excited about being on mission for our Lord. My prayer is that we will become more and more involved in that mission.

Thank you for letting me serve the Lord Jesus Christ with you.

Ron Pinkerton
Director of Missions

1981 HISTORIAN REPORT

God has been more than gracious to us in the Carolina Association in the past year, as we have experienced seeing our churches more united in the work of the Lord. In December of 1979, God sent Rev. Ron Pinkerton as our Director of Missions. Since that time we have seen a steady growth in our Associational work.

Our Associational Office has been moved to a larger, more adequate, convenient and available quarters.

Our Associational work has been re-grouped and re-structured, which has spread the work out to more people. When more people are involved we see growth in our work.

One of our great accomplishments this past year was seeing a dream become a reality. On May 29, 1981, the final payment on the indebtedness was made on the Bear Walla Baptist Camp property. The Camp was dedicated on Sunday, May 24, 1981. We praise God for this great blessing!

Our first overnight camp was G.A. Camp, June 22-26, with Pat Richie and State Staff of our Baptist State Convention leading the camp. Royal Ambassador Camp was August 3-10, led by Greg Dunham and the State Staff.

During the week of May 18-24, we observed Associational Emphasis Week. Our Director of Missions shared slides and a script of the work in the Association with many of the churches.

It was our privilege to have an Associational Crusade - May 17-20 - with Dr. Jack Taylor preaching and teaching on the Holy Spirit.

Our Summer Youth Worker this year was Jane Searcy, a member of Valley Hill Baptist Church and student at Gardner-Webb College.

An Associational Church Media Library Organization was organized September 21, 1980. They have had two Associational-wide Training Sessions - Keith Mee,of the Sunday School Board, taught Stage I and II of Church Media. Sue Fitzgerald from Mars Hill College taught A Church On Mission - an Intentional Response to the Eighties.

EXECUTIVE COMMITTEE REPORT

The Executive Committee convened three times this past Associational year in January, April and July as specified in the Constitution. We instituted a new Agenda for each meeting, and it seemed to work out very well. The new format included Associational Council meetings at 6:30 p.m., the Ececutive Committee meeting at 7:30 p.m., and the Associational Committees at 8:30 p.m. This sschedule was adopted to eliminate several different meeting nights during the Associational year for our people.

During the year Mrs. George Holland of the Horse Shoe Church was employed by the Association to assist Mrs. Duncan with additional secretarial help. She has proven to be very efficient in her work in addition to assuming the duties of Associational Clerk.

Perhaps the highlight of our year was the dedication of Camp Bear Walla on Sunday, May 24, 1981, at the Chapel on the camp grounds. It was announced at this meeting that the camp was debt free or soon would be debt free as a result of the sale of several parcels of land. This occasion was also a time of rejoicing and thanksgiving because of God's blessings upon our work. At this same meeting the Chapel was named for Brother Avery Simpson of the Main Street Church who has given of his time, energy, and money to see that the camp becomes a vital part of our Associational ministry.

The Executive Committee voted to conduct a World Missions Conference in our Association to set the dates September 26-29, 1982,as the time. It has been five years or more since our last World Mission Conference, and we are excited about the possibility of another such conference. I know that you will want to make this a matter of prayer as we endeavor to organize and promote the World Mission Conference in our Association.

VACATION BIBLE SCHOOL REPORT

Through the years Vacation Bible School has been one of the best tools for Christian Education, Bible Study and Evangelism that we have in our convention. This year, as in years past, a team of V.B.S. workers from our Association were trained in the best methods of V.B.S. work at our State Clinic. In April these workers led our Associational V.B.S. Clinic. This was one of the best clinics that we have experienced because we had so many of our churches in attendance. Most of our churches have reported that they had a good V.B.S.

My personal thanks go out to the host of dedicated V.B.S. workers who gave so tirelessly of their time and effort to participate in V.B.S.

Mrs. Alex L. Booth, Jr., V.B.S. Director

SUNDAY SCHOOL REPORT

Two events have been held this year to promote and help churches to grow strong Sunday Schools.

The first was the Pastor-Director Workshop held at Main Street Baptist Church to help pastors and directors to plan their goals and work for the new church year. The Growth Spiral was taught and how to implement it in the life of your church.

The second Sunday school event was the Basic Workshop held at Naples Baptist Church. The Basics of Sunday school work in the areas of pre-school, children, youth, adults and general officers was taught. This workshop was attended by more than 100 persons.

If we are to do our part in reaching people by enrolling them in Bible Study, each church needs to set goals, make a plan and work that plan.

If we are concerned about the 8 out of 10 who do not attend worship service on a given Sunday, 3 out of 10 you meet who do not know Christ as Saviour. We need to set some priorities and get our values in the right perspective.

Allen B. Jewett
Associational Sunday School Director

CHURCH TRAINING REPORT

Church Training began its year of programming at Ebenezer with "M" Night. Liz Weir, Associational Church Training Director, organized an interesting program that was well attended. In March Ruth Prince, State Convention Consultant in starting new Church Training programs, came to our Association for three days to work with churches interested in starting Church Training. As a result new programs were started at Bat Cave and Pacolet.

Three special training events were conducted during the year. In May a workshop was held for Deacons and in August workshops were held for Church Nominating Committees and Finance Committees.

Liz Weir resigned as Church Training Director in May and Wade Worley, Jr. was elected by the Executive Committee in July. The Associational leaders in Church Training for the coming year are:

Director	Wade Worley, Jr.
Adult Director	Zollie Ward
Youth Director	Mary Walker
Children's Director	Marie Blackwell
Preschool Director	Judy Worley
New Member Training Director	David Jones

"M" Night will be held at West Hendersonville on November 16 with Dr. Stephen Combs, Church Training Consultant from Nashville, speaking.

There is still a need for churches to see Church Training as a program of training its leadership and members rather than just a prelude to Sunday evening worship services.

YOUTH MINISTRIES REPORT

It has been a long while in coming, but it does seem we are beginning to see a well organized and planned youth ministry.

It should be noted from the beginning that our Director of Missions and I were ask to lead the Youth Ministry section for the 1981 Key Leadership Conference at Ridgecrest. We were a model for other associations to pattern their work from.

Glancing back over the past year brings with it certain important events -

1. The formation of a Youth Council with 50 members from 20 churches.
2. A Youth Newsletter and mailing list.
3. Two very successful youth nights.
4. A week at Camp Bear Walla - special thanks must be given to Dewey Thomas for directing this camp.
5. A good summer youth program for our churches led by Jane Searcy.

Looking ahead is always important. In the future we hope to continue to build a stronger Youth Council. Special importance must be given to the training and equipping of our Adult Youth Leadership. Our youth camp this year will be a very important and expanded ministry. We look forward to Youth Night and more as opportunities come.

Jimmy Cox, Youth Ministries Director

ROYAL AMBASSADORS REPORT

Carolina Baptist Royal Ambassadors have had a successful year although participation was limited. An associational rally was held at the Ebenezer Baptist Church on February 21, 1981. The music and devotional time was conducted by student participants in the Mars Hill College branch of Fellowship of Christian Athletes. Speakers for the evening were Russell Mease of Arden Baptist Church and John McGee, retired missionary to Africa. Russ spoke to the group about the opportunities in ministry and education that were available to Royal Ambassadors. Mr. McGee discussed his work with the African Royal Ambassadors, accenting his discussion with slides of his work in Africa.

May2, 1981 was the date for the Associational track meet. Fifteen winners from this meet participated in the State meet held on the campus of Wake Forest University, May 23, 1981.

A week of camping - August 3-7, 1981 - was held for the Carolina Baptist Royal Ambassadors at Camp Bear Walla. Fun, fellowship, and worship were the order of the day. The week was administered by staff workers from the state convention.

* I would like to take this opportunity to urge that each Carolina Baptist Church actively involve their young men and boys in Royal Ambassador service. This permits them to practice the Sunday School lessons that are taught them.

George D. Holland
Royal Ambassadors Director

SENIOR ADULTS

During the year we had four quarterly meetings.

1. At Saluda First with 50 in attendance. Mr. Ted Williams, Director of Senior Adult work with the North Carolina Baptist State Convention, had a clinic on Senior Adult organization.

2. At Main Street with 60 in attendance. Rev. Ron Pinkerton, Director of Missions, challenged us to encourage more churches to have Senior Adult Clubs and to form a Mission Committee in our group.

3. At First Baptist with 75 in attendance. Miss Margo McEachern, North Carolina Baptist State Convention Department on Aging, spoke on physical health for older adults.

4. At Etowah Baptist with 55 in attendance. Many of our group brought their arts and crafts to show. Hazel Duncan presented a reading club program.

We made a one-day trip to Gatlinburg last October. We had 28 on this trip. We took a three-day trip to Williamsburg with only 12 from our Association going. If it had not been for the group from Canton First and West Springs Baptist group, we could not have made the trip. We planned a three-day trip to the Outer Banks but had to cancel because only 2 made reservations.

WOMAN'S MISSIONARY UNION REPORT

Half of the WMU Council mmembers are new to their jobs this year, so they have been training at the State WMU Workshop at First Baptist Church in Asheville and at a Study Course at the Directors home.

Baptist Women Day of Prayer was held at the Upward Baptist Church on November 3, 1980. This is always an enjoyable and uplifting experience.

The weeks of prayer for Foreign and Home missions were promoted by the WMU Council and the Mission Study Course books were taught by Council members.

The WMU Calling Tea, during WMU Focus Week, was held at Shaws Creek Baptist Church.

Carolyn Weatherford, Executive Director of Woman's Missionary Union of the Southern Baptist Convention, spoke at our Annual Associational WMU Meeting.

A number of women from this Association attended the annual WMU State meeting held in Charlotte.

Nine churcnes in the Association, who did not previously have WMU organizations in them, have been contacted by the WMU Director, STARTEAM member, Mrs. Marie Blackwell and State WMU Worker, Nona Kay Biggerstaff and have shown an interest in starting WMU work in their churches.

We are happy for the interest shown in these churches. Ladies from some of these churches attended the WMU Workshop held at Tryon First Baptist Church on September 21, 1981. We had an attendance at this Workshop of 82. We praise the Lord for the interest in Missions.

The WMU Council will be teaching this Workshop in Avery Association on September 26, 1981.

A week of G.A. Camp was held this year at Camp Bear Walla. Pat Ritchie, State G.A. Director, brought a staff to conduct this camp. There were 23 girls who attended.

Marguarite McCraw, WMU Director

Irma Roberts, Mission Store Operator

MEDIA REPORT

In September, 1981, Carolina Baptist Associational Media leaders organized The Carolina Church Media Library Organization and installed officers in October. This accomplished three goals set last year. Other goals met include securing and training Associational Media leaders. A training session on How to Administer and Promote a Church Media and How to Process Media with Keith Mee, Sunday School Board, Nashville; follow up sessions on processing media; the Media Director attending a Key Leadership Conference at Ridgecrest, an Equipping Center Clinic in Asheville, and a workshop on How to Make Audio Visuals in Transylvania Association met this goal.

A Media Resource Center is being established in the Associational Office. Eighty-six filmstrips and ten Equipping Center Modules have been processed and are being circulated. Special thanks go to all media leaders who assisted in processing, especially Alene Clawson, who did all the typing required.

In April, Sue Fitzgerald, Mars Hill College, taught A Church on Mission an Intentional Response to the Eighties, for all church leaders. This goal was to assist and encourage all church leaders to secure Leadership Diplomas.

The Media Director presented Reading Club information to the Vacation Bible School Clinic and the Associational Senior Adults.

A College Information Center is being established in the Media Resource Center. A College Day Drop-In for area Juniors and Seniors is scheduled for Saturday, November 7. Dr. Dan M. Shive, Wingate College, will represent all our N. C. Baptist Colleges with information and materials.

Plans and goals for 1981-82 include follow-up on last years' goals and setting new goals. One goal is to study the storage needs in the Media Resource Center and make plans to purchase storage units. Another goal is to Complete processing all materials and set up a Vertical File.

The main training emphasis will be working toward securing Media Leadership Dipolmas. An Awards Banquet is planned for next fall to honor those earning their diplomas.

The Media Director and officers worked with three churches to establish or reorganize their Media Library. Bat Cave Baptist Church dedicated their new Media Library, with the Media Director in attendance. Naples Baptist Church dedicated their new Media Library. West Hendersonville Baptist Church completed processing all audio visuals. The Media Director also met with the Associational Media Director of Transylvania Association, Mrs. Patsy Harmon, and assisted in the organization of their TACMO.

1980-81 has seen goals met and new goals set. A spirit of interest, co-operation, and enthusiasm has been evident in all media meetings, plans, and activities. We look forward to a year of continued progress and achievements.

Hazel M. Duncan
Media Director

A Spanish Class was organized Spring Quarter with a teacher from Blue Ridge Technical College and interested representatives from the churches. A workshop was held in May with church representatives and personnel form the Service Organizations.

II. Help from Churches: Many churches helped in this ministry with cash for Bibles, clothes, Health Kits, quilts, blankets, food, stuffed toys, Health buckets, transportaion, and the music for the Spanish Revival.

III. Centers: Five

A. Naples ministered to Riley Jones Camp for blacks and whites. Mrs. Alice Trantham and others went to the camp with Bible teaching. They took them to a picnic and ball game. Attendance was very good on Sunday morning. Sunday P.M. they transported the Mexicans in that camp to the First Baptist Church, Hendersonville for the Spanish ministry.

B. Oak Forest ministered to the Whit Johnson Camp for blacks and whites with a tape ministry and also movie ministry.

C. Mr. Moriah: Rev. and Mrs. Larry Maze taught Bible in Spanish to the Mexicans who attended on Tuesday evenings. Rev. Willingham and members of his church furnished transportaion to bring these men to the church. They came from four camps.

D. 1. Hendersonville First Baptist Mexican and Haitian Ministry. Buses were sent from First Baptist to four camps to transport Spanish speaking people to the church. They were given lunch, provided by Baptist Women. Mrs. Hugh Aiken taught an English class to the men. After the English class Rev. Maze preached in Spanish. Bibles were given to each adult present. They were also given blankets, tracts, and clothes. They then went to the gym for recreation.

2. This is the first summer to have children in our ministry. Fourteen children came and children and youth workers from First Baptist worked with them.

3. Haitian Ministry: Mrs. Joe Stoneham worked with the French speaking. She taught a Bible lesson in French. They wanted to attend worship services. Members of First Baptist went to the Riley Jones Camp to bring them to First Baptist. They attended the worship services, lunch was provided, they had recreation in the gym and were transported to camp. French New Testaments were given to them. Mrs. Stoneham had help from her family and Sunday School members.

E. East Flat Rock: New work with Spanish speaking was begun this year. Mr. Dalton drove the bus and brought them to the church for a service This work was under the direction of Mrs. Sandy Campbell and members of the church. They were given Scripture, food and clothes. Rev. Frank Mitchell preached in Spanish.

V. Visitation: There was special visitation for the revival by Rev. Willingham and Mauricio Vargas. Saturday morning visitation was done by the Migrant Committee of First Baptist Church and was done three Saturdays a month.

VI. WHY A MINISTRY: Very few migrants are Christians. They need the Lord. Acts 1:8 tells us to begin at home. Our Jerusalem is Carolina Associatio They need material things because they send their money home to families in Mexico. Mexico has no welfare and these are poor families.

VII. Thanks to:

Naples Church, East Flat Rock Church, Oak Forest, Mt. Moriah, and First Baptist, Hendersonville.
Our bus drivers. All workers. Anyone who did anythihg.
Rev. & Mrs. Maze. Rev. & Mrs. Frank Mitchell and Judy Stoneham.
To all who prayed. Ron Pinkerton. The Carolina Association Migrant Committee.

VII. Praise be to God and to Him be the glory.

Ruth P. Kearns, Chairman, Migrant Committee

EVANGELISM REPORT

"HERE'S HOPE" is the theme of the Joint State Evangelistic Crusade in 1981. Is there really "hope" for 2,000,000 unsaved people in NC? There is Hope in the Gospel of Jesus Christ! However, "Here's Hope" depends greatly upon "Our Help" through Jesus Christ.

There are three emphasis for the "Here's Hope Evangelistic Crusade in 1982." First, locate and identify every person living within our county. This people search (census) emphasis will be in October and November. Second emphasis will be given to praying for these unsaved, unchurched, and uncommitted people. Major emphasis will be given in prayer during December through February. The third emphasis will be in preparing committed pastors and lay persons to more effectively share Christ with the unsaved. Opportunities for training in Lay Evangelsim Schools and other training ministries will be available.

Many things we do in our churches and association are very important. May we be sensitive to God's leadership and the needs of people in the area of ministry.

COOPERATIVE PROGRAM REPORT

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 - - - a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed many more people must adopt this commitment.

As the Cooperative Program Representative for our Association I feel the 1980's will be crucial years for the success of this thrust toward such a Bold Mission. The introduction span of this program to us is over and if we are ever going to demonstrate our willingness to make it work it will be now. A Bold Mission of this kind requires Bold Giving.

During the past year (1980-1981) the churches of the Carolina Baptist Association gave $204,968 through the Cooperative Program. I commend the churches in the Association for this amount but also must make you aware that this amount will have to increase on our part if we are to meet the objective of Bold Mission Thrust to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. It will take us all working together to accomplish this task. This will take some specific action on our part as individuals and churches. I present two challenges for the churches in our Association:

1. If your church is not presently giving through the Cooperative Program for Bold Mission Thrust - - would you prayerfully consider starting.
2. If you are giving through the Cooperative Program would you evaluate the percentage and prayerfully consider increasing that percentage in order that we might reach our goal.

There has never been a greater need or opportunity for our churches than to reach out to people through the Cooperative Program.

Greg T. Mathis, Cooperative Program Representative

PRAYER TASK FORCE REPORT

"O thou that hearest prayer, unto thee shall all flesh come." Psalm 65:2
"But without faith it is impossible to please him; for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."

A Prayer hearing God is a living God, not an idol
A Prayer hearing God is an all knowing God, Omniscient
Our God to whom we pray is an all powerful God
He is a miracle working God. His work is supernatural not ordinary, but extraordinary.

We need to pray that the membership of each local church will be a brotherhood in deed. Pray that grace may everywhere abound. Jesus said,"by this shall all men know that ye are my disciples." Pray for our Director of Missions, his faithful secretary and office help. Ernest prayer is needed for the Simultaneous effort April 25 - May 9, 1982 in our area.

Ralph Banning, Prayer Task Force Representative

BEAR WALLA BAPTIST CAMP

We are happy to announce to the Association that the camp is debt free. We felt that the debt on the camp was a stumbling block to the progress of the camp. We can thank God that the camp now belongs to the Carolina Baptist Association. We can now move forward to make the camp useable.

We had a wonderful summer at camp. 621 registered and 566 attended camps. There were 92 decisions and 40 of these accepted Christ. Fifteen groups were represented in the camp. We believe it was all worth while.

Much progress has been made on the camp. Several people came to help. We are grateful to the churches that assisted in the work at the camp. We are also grateful for those who helped in a financial way.

We have several things that need to be done before next camping season. Some renovation needs to be made in the dining hall and kitchen area. The swimming pool (lake) needs to be improved. The ball field needs to be leveled and grassed, putting bridge over stream, clear out around cabins, paint the roofs and the outside and inside of the cabins, complete the bath house and repair steps. We would appreciate anyone who would give a hand to this.

We believe there are great things ahead of us for Bear Walla Camp. Let us thank God and move forward.

John McGee, Chairman, Camp Council

ANNUITY BOARD REPORT

The Carolina Baptist Association has thirty-two churches and forty staff members participating in the retirement program. Of this number twelve are still participating on the minimum of $33.34. per month. These figures and facts are presented at the outset of this report in order to call attention to the challenge facing our churches to upgrade this figure to at least ten percent (10%)

In the state of North Carolina as a whole we had, as of March 31, 1981, 3,114 staff members in 2,353 churches participating. In the total Southern Baptist Convention territory, "at the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund. These funds can be best understood by a study of the following table:

GENERAL BOARD REPORT

The General Board of North Carolina Baptist met three times this year to hear reports of the working committees that make up the working force of the Board. The subject that was foremost in the work of the Board was as follows:

Preparation for the 1982 Joint Evangelistic Crusade conducted by the Baptist State Convention of North Carolina and the General Baptist Convention of North Carolina.

Church Programs have this commission to reach people for Bible study and church membership. 8.5 by 85 is the slogan for this intensive prayer and witness effort throughout our State and Southern Baptist.

8.5 by 85 ---
8.5 million enrolled in Bible Study throughout the Sunday School by 1985.
1.5 million baptisms
445,000 in 1982-83; 495,000 in 1983-84; 560,000 in 1984-85
1,500 new churches organized
30,000 churches increase percentage of budget giving to cooperative program
2,554 newly appointed missionary personnel and 300,000 short term mission volunteers, including Mission Service Corps volunteers.

Baptist State Convention of North Carolina
855,000 by '85
855,000 enrolled in Bible Study through the Sunday School by 1985
150,000 Baptisms
44,500 in 1982-83; 49,500 in 1983-84; 56,000 in 1984-85
150 new churches organized
3,000 churches increase percentage of budget giving to cooperative program
255 newly appointed missionary personnel and 30,000 short-term mission volunteers.

Volunteerism is at a new level within the State with many brotherhoods and youth groups volunteering to go to other states to help with the forming and building of new churches. North Carolina Baptists have agreed to help West Virginia establish 200 new churches. Fifteen new chapels have begun 22 projects such as new buildings, remodeling has been conducted by some 62 groups, with North Carolina funds mounting to $43,000 being spent.

The Baptist Building has come before the State with much misunderstandings and heart hurt. This has been a time of growth for the General Board and the Executive Committee. A proposal will be presented at the State Convention for the relocation of the Baptist building.

Allen B. Jewett
General Board Representative

FOREIGN MISSIONS REPORT

"The Lord has laid missions on the heart of Southern Baptists. Like a spiritua magnet, this commitment holds iron-willed Southern Baptists together." The above statement by Dr. R. Keith Parks, president of the Foreign Mission Board, affirms a truth that has incentivated us since the time of Luther Rice, pionee in co-ordinating Baptist efforts to obey Christ's commandment, "Go ye into all the world." Parks also emphasizes that our central thrust is on evangelism that develops until it reproduces disciples. The basic administrative approach is an integrated geographic approach, but, "it is often easier to get a global perspective by looking at the various programs that are carried out in the individual countries."

At the beginning of 1981, missionary personnel included 2,554 career missionaries and 505 who serve through auxilliary categories as associates, journeymen and special project workers. These work in 93 different types of missionary service in over 90 countries. During 1980, there were 330 appointments, of whom 139 were career missionaries.

Through our Foreign Mission Board we cooperate with national entities representing over 11,500 churches. Of that number some 8,000 are self-supporting - a mark of truly indigenous churches. On these fields in 1980, there were over 110,000 baptisms - the first time to exceed 100,000 in a year. The national christians, reflecting the training they have received, are the key figures in this increase.

Forty-three missionaries worked with nationals in the use of mass media in 62 centers. This has contributed much to the growth with a total of 48,000 radio broadcasts and some 3,000 television broadcasts.

Two key emphases in our overseas program are evangelization through education and the development of Baptist leaders. The enrollment in schools of all categories reached 91,000. Nearly 5,000 were preparing for phases of ministry in 67 seminaries. Theological education by extension increased the number by another 6,000. Workers in 42 Student Centers ministered to over 9,000 students.

A key part of our program of winning people to Christ is the translation, printing, and distribution of the scriptures and Christian literature. Eighty-six missionaries working in 27 publication centers helped to publish over 3 million books and 7 million copies of church-related periodicals.

The Foreign Mission Board assists in the maintenance of 20 hospitals and 120 clinics and dispencaries where 56 physicians, 70 nurses, 12 dentists, and 43 other missionaries are engaged in medical and health care. The host of Christian medical people treated 137,000 inpatients and 1.1 million outpatients.

Compassionate concern has been shown for the physical and spiritual needs of multitudes suffering from the results of war and natural disasters in South and South-east Asia, Africa, Semalia, Ethiopia, Zimbabwe and other places. Programs for helping these countries to develop new resources for food and new health care habits have been stressed.

Contributions for foreign missions totaled $85,456,178. Of this amount $40,836,167 came from Lottie Moon Christmas offering gifts. Approximately 50 percent of the total comes from Southern Baptist Cooperative Program funds.

"As the overall missionary personnel picture begins to express new boldness, the financing for world missions must also show a bold new thrust."

Prudence A. Riffey, Foreign Missions Representative

HOME MISSIONS REPORT

In the United States on any given Sunday, more than five million Southern Baptists assemble for Worship. They meet in all types of facilities, living rooms, hogans, rented buildings, schools, store fronts or Church buildings.

Southern Baptists are the most intergrated denomination in America - predominately white - with 175,000 Ethnic (foreign) groups. The Ethnic Baptists worship in more than 80 languages in 3,500 language culture congregations. You are a part of this multi-faced Southern Baptist Convention of the U. S. A.

Our nation admits more than 750,000 Immigrants per year - a Foreign Mission field moved to our door steps.

Spanish speaking people live in fifty states, they are the nations and Southern Baptist - fastest growing Ethnic Minority, our Mission opportunity. European-heritage Americans first settled in our Northern States. Southern Baptist work among the people of Germany, Slavic, Polish, Scandinavians and similar back grounds dates back only 40 years. The work is growing. One fourth of the U. S. population is this European-continental language culture group - Our Mission field at our door steps.

Southern Baptists work with native Alaskans from the Aleutian Islands to the Artic Circle. Our goal is to take Christ - not U. S. culture - to a proud people.

Gerald Palmer, head of Missions Section of our Home Missions Board says: "I believe it is possible for every person in the United States to have an opportunity to respond to the Gospel by the year 2000. It depends on Christians being willing to make the commitment to tell others about Jesus."

Gifts through the cooperative program and the Annie Armstrong Easter offering will undergird all of our Home Missions work. The 1980 Annie Armstrong offering was nearly $16.5 million dollars but inflation drops it to about $6.7 million in buying power. We will reach persons for Christ but to do this will take you plus your dollars plus your prayers.

Me, a Missionary? Yes - where I am and through my prayers and Dollars. You the Missionary He commands "Go ye to all people."

NORTH CAROLINA BAPTIST FOUNDATION REPORT

During the past year, twenty-three new trust funds valued at $385,016. were established with the N. C. Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

- -Foreign Missions trust funds increased by approximately $26,000.
- -Home Missions trusts increased by $8,000.
- -Baptist Childrens Homes of North Carolina trusts increased by approximately $19,000.
- -Southeastern Seminary by $12,250.
- -Fruitland Bible Institute by $33,000.
- -N. C. Baptist Homes by $1,500.
- -Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
- -Cooperative Program by $7,000.
- -Statewide Student Loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980, averaging 10.3%. Market value of all assets on December 30, 1980, were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ - even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED
REPORT TO THE ASSOCIATIONS
1981

The ministry of the Baptist Children's Homes in Western North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The western area offices were moved to the Broyhill campus in July making them more central to the seventeen western counties. Through these offices services any place in the State are made available to those who need assistance from the Homes.

Programs located in the western area include: group care at Broyhill Home, emergency care at Forest City and in the Haywood Cottage at Broyhill Home, Maternity Home in Asheville, Craig Cottage in Ridgecrest, a network of foster homes, mother's aid, social work and counseling services. Children and their families from western North Carolina are served through these programs.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Services Centers have been opened with three others in the planning stages. Children are being provided temporary care in seven Emergency Care Homes. Therapeutic camping for boys is being expanded at Cameron Home near Vass. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the State who are in the best position to assist families through a concept of preventive care.

A recent gift of $60,000 from the J. E. Broyhill family given in recognition of Mr. and Mrs. Broyhill's Sixtieth Wedding Anniversary moves the western program a step closer to a Family Resource Center on the Broyhill Home campus. This will serve to make available to pastors, church leaders and others workshops and materials dealing with family concern. Preventive care is the theme. Pray that our Lord will lead as we move to meet this challenging need.

Luther Osment and members of the staff of the Homes in western North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God." (1 Corinthians 3:9) Thank Him for this relationship.

Mrs. Lucy Sitton, Children's Homes Representative

BAPTIST HOMES FOR AGING REPORT

Baptist care for our older individuals in North Carolina began to materalize when a special committee was appointed by the North Carolina State Convention in 1950. Our first home, Resthaven in Winston-Salem, has been in continuous operation since March, 1951. Presently, the home has capacity for 17 individuals.

The second Baptist Home was opened in December, 1953 in Albemarle and provides for the needs of 23 residents.

The Hayes Home staff and facilities in Winston-Salem provide for the needs of forty-six residents. The Executive Offices of North Carolina Baptist Homes a are located in the Hayes Home. Adjacent to this home is the 79 bed Nursing Care Unit. The North Carolina Baptist Homes apartment complex is located on the Hayes Home property.

Located in Eastern North Carolina, the Hamilton Home became the fourth for our Baptist family, and has a capicity for 30.

The spacious Yanceyville Home opened in 1967 and has a capacity for 31 residents.

Located on the former Pearson Estate, the beautiful W.N.C. Home is now the largest of our homes and was opened in 1978. The 50 individuals who live in this home bring to about 300 the citizens under our care.

Our churches must continue to share in a greater way in the ministry and needs of our Baptist Homes for the Aging. At this time of year we can all be involved in supporting the homes through the North Carolina Missions Offering and our personal gifts.

Ray Linville, Baptist Homes for the Aging Representative

IN MEMORY OF

WILLARD JUDSON LEWIS

Willard Lewis was a layman who found great joy in service for His Lord. Willard Judson Lewis was the son of Carrie D. Lewis and the Reverend Marvin Lee Lewis, who served as pastor and interim pastor in the Carolina Baptist Association for many years. He was born in Cherokee County, Murphy, North Carolina on August 28, 1912. He was married to Ruby Davis and they have four children, Robert L. Lewis of East Flat Rock, Jo Anne Nix of Flat Rock, Patricia McCrary of Hendersonville, and Shelby Jean Hoots of Atlanta, Georgia.

Willard had the love and respect of all who knew him. His interest in the Lord's work was upper-most in his thoughts and deeds. He served in the capacity of Sunday School Superintendent and teacher, R.A. Leader, and Church Treasurer for approximately 12 years. He served as a deacon for 35 years, 17 of these years as Chairman of the Board of Deacons. He received recognition from the Tuxedo Baptist Church for 48 years of faithful attendance and devoted service. He rejoiced in our Carolina Baptist Association obtaining Camp Bear Walla and was instrumental in encouraging Tuxedo Baptist Church to purchase one of the first lots sold to help make payments for the camp loan. He lovingly spent many hours in labor at the church's new fellowship building. He invested many ernest prayers for Linda and Tildon Bridges, who were missionaries in Taiwan. He was a source of spiritual encouragement to young and old alike in his faithful service.

The last pastor he served with, Reverend Doug Whitfield, said, "Brother Willard was truly a man of honest report, full of the Holy Ghost, and wisdom. I thank God for the days of fellowship and service we had together. If every young Pastor had a deacon like Willard, they would be spared many heart-aches. Brother Willard was a great deacon because he had a great Lord."

Brother Willard loved the twenty-third Psalm, and the song, "It is Well with My Soul." Willard J. Lewis went home to be with His Lord, March 16, 1982.

We DEDICATE THESE 1982 MINUTES OF CAROLINA BAPTIST ASSOCIATION IN MEMORY OF WILLARD JUDSON LEWIS.

Jones, Bat Cave Baptist Church, read the Scripture from Ephesians 6:10-17. The title for Rev. Jewett's sermon was, "The Master Game Plan." He presented a vivid word picture of the game of live as compared to a game of football. God has a Master Plan for our lives and gives it to us in Ephesians 6:10-17. He used the illustration of a football team who in the first half did not have on the proper equipment, let the coach do it all, divided into groups of threes, huddled, huddled and huddled, then shifted with the wind and were a defeated team. In the second half they showed a spirit of motivation by a change of attitudes because of a super coach with a super plan and their following this plan. We also have a super coach - Christ and a super plan for our lives. If we are to reach the 8.5 million people for Christ by 1985 then we too have to have a plan. He gave seven factors by Dr. Robert Schuller which relate to success of your role as a Christian leader. 1. Select a goal. 2. Unlock negative thinking. 3. Commit yourself. 4. Chart your course. 5. Expect problems. 6. Stay the course. and 7. Sanctify yourself.

DIRECTOR OF MISSIONS REPORT

I am anxious to get our church reports compiled and see how much Sunday School growth we have had this year. Many of you have heard me express concern over the lack of growth in our churches. The records show that in 1960 we averaged 5,669 in Sunday School, but in 1981 we averaged only 4,893. While our Sunday School attendance went down, the number of people in our Association almost doubled. My concern is the decrease of Christian examples and influence in our communities.

This concern has motivated the activities of our Association. The "Invitation to Life" Program on T.V. four Thursday nights, the People Search and "Here's Hope Crusades were efforts some of our churches made to reach people in our community for Christ. A different kind of approach is being developed by the Family Life Committee to meet the needs of families. The New Work Committee is trying to come up with new approaches to ministry in our Association.

The Senior Adult Missions Committee has started a witness training program to try to reach retired persons moving into our community.

Behind the training events of Sunday School, Church Training, and WMU is the desire to help us be more effective as Christians in sharing the love of our Lord with those who have not experienced this love. We are trying to consolidate meetings, and eliminate unnecessary meetings so we can provide the necessary training without misusing your time.

Our Association Camp was used more this year than ever before. We have had over 1,100 people to use the camp. They came for camp weeks, prayer retreats, Bible Study, youth retreats, Baptist Student Union retreats, V.B.S. Commencements, picnics, and adult retreats. There were many who committed their life to Christ for the first time (15 in one week) and others made definite decisions in regard to their personal relationship to Christ. I am thankful for this ministry and anticipate greater blessings from our camp program.

Our finances continue to improve with a projected total of $55,000.00 in gifts from our churches this year. More of our churches reached the goal of 5% to Associational Missions this year and some have even gone beyond. If we are to meet the challenges of our community, we must continue toward the the goal of 5 percent.

It is a sincere joy to work with people, elected by the Association, who give of themselves so unselfishly. There have been outstanding efforts made by some of our leaders as they have shared ideas, time and energy to minister with our Lord through the Association.

I pledge myself to offer the best leadership and resources through the Associational Office that I can and pray God's guidance as we work together to portray the presence of a living God to the people of our area.

Ron Pinkerton
Director of Missions

HISTORIAN'S REPORT

As we strive to be a part of Bold Missions Thrust in our Association, we have experienced many of our churches helping us to accomplish this goal. When our churches cooperate, then we are able as an Association to accomplish and do the work God has for us to do. We are grateful to God for His leadership as we see these goals being reached.

To help our churches be a great part in the Bold Mission Thrust, the Association has provided various helps which included:

Lay Evangelism Training
Sunday School Training
Many churches participated in our Simultaneous Revival in May
Adolescent Development Seminar
TV Program - "Invitation to Life"
Come Alive Mission Action Seminar
Plans were in progress for a World Mission Conference with 26 churches participating and 27 Home, State and Foreign Missionaries

Our Media Organization held their first Media Awards Banquet. Two of our officers received both the Media Services and Media Skills Diplomas. They were Hazel Duncan and Faith Searcy. Mary Lou Jones received the Media Services Diploma.

There were 19 of our children, representing 4 of our churches, participating in the State Children's Bible Drill.

Our Summer Youth Worker this year was Brad Riddle. We also had Virginia Rhymer who served as our Migrant Ministry Coordinator.
Some of the churches in our Association are helping to provide a home for Larry and Kay Rice, who are missionaries on furlough from Venezuela. The house is being provided by Hendersonville First Baptist Church. The Rices are available for Mission studies and speaking engagements.

Camp Bear Walla has shown a very successful year. There were approximately 1,100 who used the camp this past summer. We have compelted a bath house and made other improvements.

ANNUAL SERMON

REV. ALLEN B. JEWETT
MAIN STREET BAPTIST CHURCH

"THE MASTER GAME PLAN"
Ephesians 6:10-17

The World Series is over and our minds turn completely to the area of football, and I would like you to think with me about the game of life, and compare it with a football game.

Your great coaches will have a game plan and they will stick to that game plan as long as they can, unless the opponent gets ahead and they have to play catch-up ball.

God has a master plan for your life and mine. A master plan for your church and my church. There is a reason for it to be here. God's plan for you is to plan to have victory: Victory over sin. Victory over evil.
And He gives us this plan in Ephesians 6:10 - 17.

Scene 1: We look on the field of play and see a very strange thing - - We notice tht players do not have pads or helmets or football shoes on.

Why would they play football without the proper equipment?
MAYBE our reporter can find out, so we switch down to the field.
Reporter: I just talked to the Coach, " Coach, May I ask you a question? Why no protective equipment?" "Why aren't they wearing the regular football uniform?"
And the Coach's reply is "they thought that if they didn't wear the equipment that the other team would think they were tough and strong and they might impress the other team."

We find this attitude of Christians. Ephesians 6:11 says "Put on the full armor that ye might be able to stand against the wiles of the evil one."

The battle is on: We need God's Armor. The weapons of our warfare are: Paul pictures a Christian soldier ready for hand-to-hand combat with the enemy. His armor is complete; that is it is sufficient for victory. Each of the six pieces has a distinct purpose. A believer must put on each one.

First - The Girdle of Truth
Satan is a liar -- but the beliver whose life is controlled by truth will defeat him.
The girdle holds the other parts together. Truth is that integrating force in the life of the victorious Christian.
A man of integrity, with a clear consience can face the enemy without fear.
The girdle also held the sword - - Therefore the soldier tightened his girdle to be prepared for battle.
Peter told his readers to "Gird up the loins of your mind." I Peter 1:13
Every thought should be brought captive to the truth of God. 2 Cor. 10;5.
This piece of armor stresses the importance of God's written Word, for it is the source of our truth.
Charles Hodge has written, "Reason, tradition, speculation, dead orthodoxy, are a girdle of spider webbs, they give away at the first onset. Truth alone, as abiding in the mind in the form of divine knowledge, can give strength or confidence even in the ordinary conflicts of the Christian life, much more in any really evil day."

The Breast Plate of Righteousness ---

This piece of armor, made of metal plates covering the body from the neck to the waist, symbolized the believer's righteousness in Christ.

Satan is the accuser, but he cannot accuse the believer who is living a godly life in power of the Spirit.

The life that we live either fortifies us atainst Satan's attacks or makes it easier for him to defeat us.

The breast plate of righteousness, involves one's character as well as the practical expression of this quality in right living.

Notice that no protection was listed for the Christian's back in God's armor. --- Therefore, the Christian must stand toe to toe with evil rather than turn and run away.

Righteousness protects believers from the false verbal attacks of their emenies.

Romans 8:31 "If God be for us who can be against us."

Romans 8:39 "Nothing can seperate us from the love of God, which is in Christ Jesus our Lord."

The Shoes of the Gospel - -

The Roman soldiers wore sandals with hobnails in the soles to give him better footing for the battle.

If we are going to stand up and "withstand", then we need the shoes of the Gospel.

Because we have the Peace with God (Romans 5:1) that comes from the Gospel, we need not fear attack of Satan or man. We must be at peace with God and with man, each other, if we are to defeat the devil. James 4:1-7.

This peace keeps us stable in the midst of conflict.

The good tidings proclaimed to the shepherds was Jesus Christ is born.

The good tidings of what God through Christ did for sinners is the "gospel of peace" in at least two ways.

1. It reconciles the sinner to God, and
2. It reconciles man to man.

The shoes have another meaning as we place them on our feet every day we must be prepared to share the Gospel of peace to the lost world. We are ambassadors of peace . ..

The Shield of Faith - -

The shield was large usually about two feet by two feet, -- made of wood, and covered with tough leather.

- - As the soldier held it before him, it protected him from spears, a arrows, and "fiery darts."

The edges of tnese shields were so constructed that an entire line of soldiers could interlock shields and march into the enemy like a solid wall.

This suggests that we Christians are not in this battle alone.

The faith mentioned here is not saving faith, but Living Faith. A trust in the promises and power of God.

Faith is a defensive weapon which protects us from the fiery darts of Satan

In Paul's day, arrows, dipped in inflamable substance and ignited, were shot at the enemy.

Satan shoots "fiery darts"at our hearts and mind : Lies, blasphemous thoughts, hateful thoughts about others, doubts, desire for sin.

If we do not, by faith quench these darts, they will light a fire within, and the results sin against God.

We never know when Satan will shoot a dart at us so we must always walk by faith.

The Helmet of Salvation - -

Satan wants to attack the mind, the way he defeated Eve. 2 Cor. 11:3.

The helmet refers to the mind controlled by God. Many Christians have the idea that intellect is not important, when in reality it plays a

vital part in the Christian growth, service, and victory.
When man decides to let God control the mind, Satan cannot lead the believer astray. We are to grow in the grace and knowledge of our Lord Jesus Christ. 2 Peter 3:18.

The Sword of the Spirit - -
The Sword of the Spirit is the offensive weapon God porvides us.
Hebrews 4:12 compares the Word of God to a sword because it is sharp and is able to pierce the inner man just as material sword pierces the body. The word of God convicted us of our sins. It pierced our heart and brought us to conviction and salvation.
When Christ was tempted by Satan in the wilderness he used the sword of the Spirit - - the Word of God for He said, "For it is written."

Scene 2: It's time for the game to begin, the other team won the toss, and we see the players are on the bench.
And the Coach is out on the field ready to play the game by himself.
- - Now this is a strange twist.
Then again we switch to our roving announcer on the field to see what is taking place on the field.
He is interviewing one of the players and reports that the coach has had more experience then we have had, so we are going to let him play and we'll back him up with our support.
The ball is kicked to the coach - he receives it and starts up the field - but with no blocking, he is smothered by the other eleven players.
He has no one to center the ball to him, and is penalized for delay of the game.
He becomes so frustrated - he knows what to do - because he is out there by himself, trying to do the job that eleven should be doing.
Is this not a picture of the church today?
The pastor is called upon to carry the load, for they say he has more experience.

Scene 3: The team realized that they have to play because the coach can't do it all himself.
So they go onto the field, and get into a huddle.
And they huddle, and huddle.
A penalty is stepped off - 5 yards - for too much time in the huddle, but they go back into the huddle again - - get penalized again, because they won't come out of the huddle.
Soon they have their back to the goal line.
Let's ask our reporter again what's going on.
"This is the reporter down on the field. I have one of the players who has just come off the field. Let me talk to you just a minute,sir."
"What's going on in the huddle? Why are you all in the huddle?"
"Oh, man - - these huddles are great! We feel together, and we talk about the game. We talk about what we are going to do. O, we learn so much in the huddle!"
But that's not the game plan just to huddle.
We are like that-- Committees take care of the inside of the church, the outside of the church, the finances, etc. - but that's not God's plan.
God watches as the church does battle against the foe, the evil one, out on thelines of the world.
At work - - at play.
The plan is : Go to church to get God's direction and inspiration and plans and then out to the field to carry out His plan.

Scene 4: The players are out on the field but they have divided into groups of three, and there they stand.
Looks like they are arguing!
Reporter on the field - - what is going on down there?
"Here's a group close to the sidelines."
"What's happening on the field?"
"Well, we can't agree on what we are going to do."
"There is one group that does not like the color of the uniform, and they say they'll play ball fi we will change the color of our uniform."
"Another fellow is agruing with his group because he wants to be quarterback.
He doesn't like the plays that are called, and if he can call the plays, he knows that we can win the game."
Another group is quite discouraged because the coach wants us on different teams.
He has special teams - the kick-off team; the return team; the defense team; and offense; and we're tired of that.
And the coach is trying to get us to see the game plan, and understand it.
He says that it takes all the members of the team to make a complete team.
Is that not the way it is in the church?
We are all members of that body. There has to be harmony. There has to be unity.
Christ is peace, love, humility, gentleness.
We must be of one body - - of one spirit.
The Bible says He puts to death hostility.
Scene 5: On the 5 yard line, First down - goal to go, the team breaks the huddle, comes up to the line.
But wait a minute.
They are lining up on the wrong side of the ball.
What's wrong?
Back to the field of action.
Reporter - - can you find out what is happening down there on the field?
"Yes, I'm talking to one of the players, and they say the winds have shifted, and it will be easier to go with the wind instead of against it."
We can make some beautiful plays, and we can have plenty of time to score later. Times have changed and we must change with them."
Jesus said, "Thy word is truth. I am the way, the truth, and the life. This is the way. Walk ye in it."
Don't be tossed to and fro with every wind of doctrine.
The half ends. The team heads to the locker room.
Our team is defeated, walking with their heads down, dragging, as a defeated team would do.

Second half, the team comes out on the field, and the announcer has just commented that if he were on that team, he would not even show up on the field.
But they are coming out.
They are running! Their pads are on, their helmets in hand. they have put on their football cleats. They are shouting at each other- slapping each other on the shoulder pads.
The ball is kicked off. The team goes down the field and smother the ball carrier.
The players are carrying out their defensive assignments.
They are playing together as a team. They block the kick.
TOUCHDOWN! another touchdown! and then Another!
This is not the same team.

I wonder what's happened in that dressing room during the half-time that would change this team.
Let's take you back down to the field while there is a break in the action, and see if our reporter can talk to the coach to find out what has happened.
"I'm down on the field here with the coach. Tell me, coach, what did you say to the team to change them around?"
"Well, we went into the locker room defeated, and just sat there in quiet, thinking, and something strange - very simple - began to happen.
A strange presence was felt, and different players began to look at themselves, and confess that our attitudes were wrong.
One said that he was mad at another player, and didn't want to play with him.
We began to realize that we had not been playing the game plan.
But each one was trying to do his own thing, in his own way.
So we re-read the plan. Realized that the great coach never made a mistake.
And that the basic plan was good.
We had an old-time prayer meeting - - felt a new spirit - - something beyond ourselves.
We got up - we were motivated - and you see the results - from just regular people."

I have said all this to say:
We do not have super churches in the Carolina Baptist Association.
We do not have super people to play the game.. We have ordinary people.
But with a super coach, and a super game plan.
God has given us this game plan.
Let me ask you, what kind of game plan do you have for your church?
For 1983? Do you have some goals set for Sunday School - WMU - Deacons-Brotherhood?
If we are going to reach 8.5 million people in Bible study by 1985, in these United States of America in Southern Baptist circles, then, my friend, we've got to have a game plan.
We've got to do our part in Carolina Baptist Association. We can't go each one in his own direction, and get the job done.
God has given us a plan. I believe if he were here tonight, He would say, "Lift up your eyes and look upon the fields that are white unto harvest."
John 4:35 says "Say not ye there are yet four months and then cometh the harvest."
We need vision... We need goals. . . We need to work together. . . We are not in competition with one another.
SEVEN FACTORS by Dr. Robert Schuller relate to the success of your role as a Christian leader:

1. SELECT A GOAL 2. UNLOCK YOUR NEGATIVE THINKING
3. COMMIT YOURSELF 4. CHART YOUR COURSE 5. EXPECT PROBLEMS
6. STAY WITH THE TASK 7. SANCTIFY SELF.

ORDINATION COUNCIL REPORT

Be it known that we, the Ordination Council of Carolina Baptist Association, convened on Thursday, September 9, 1982, at 1:30 p.m.

At the request of Bearwallow Baptist Church of Gerton, NC, our council was called together to examine Brother Ronald H. Harrison for the gospel ministry.

The council members present were Rev. David A. Jones, Chairman, Rev. Raymond Byrd, Rev. Jim Byrd and Rev. R. P. Hamby.

Brother Harrison was thoroughly questioned concerning his Christian experience, the call to the ministry, his doctrinal beliefs, his feelings toward the Scriptures, the ordinances as well as numerous other areas of the ministry.

After extensive questioning the candidate was excused and a unanimous decision was made to recommend Brother Ronald H. Harrison to the Bearwallow Baptist Church of Gerton for ordination.

Brother Harrison, a member of the Balfour Baptist Church of Hendersonville, has been called as the Pastor of Bearwallow Baptist Church, Gerton, NC.

SEMINARY EXTENSION REPORT

Seminary Extension is a new program instituted in Carolina Association within the last two months. The purpose of Seminary Extension is to provide educational opportunities for pastors and lay people alike. Seminary Extension is largely self-supporting, with students paying a registration fee, extension center free, and paying for their own books and course materials. Teacher honorariums are provided through the Baptist State Convention.

Classes will start in January, 1983.

Ray Ledford
Director, Seminary Extension

AUDITING COMMITTEE REPORT

Since at its annual meeting in 1981, the Association approved tagging on the months of September, October, November, and December of 1982 to the financial year normally ending with August, the members of the Auditing Committee agreed that a partial audit at this time would serve no useful purpose. The audit that will be made after the close of December, 1982, will cover the full period. Hereafter, the financial year will run from January 1st. through December.

VACATION BIBLE SCHOOL REPORT

Through the years Vacation Bible School has been one of the best tools for Christian Education, Bible Study, and Evangelism that we have in our convention. Again this year, a team of V.B.S. workers from our Association were trained in the best methods of V.B.S. at our State Clinic. This year for the second year in succession we offered a daytime clinic and also one in the evening. This seems to be a good arrangement for our Association for the attendance this year was very high and represented most of the churches in the Association. The V.B.S. reports are good. Most churches reported having Bible School, and many reported Backyard Bible Clubs and Adult V.B.S.

My personal thanks to each person who worked in V.B.S. in the summer of 1982.

WOMEN'S MISSIONARY UNION REPORT

During the 1981-82 year the W.M.U. has been active in the following areas:

A calling tea was held at the First Baptist Church in Hendersonville during W.M.U. Focus Week in February.

The W.M.U. promoted Weeks of Prayer for Foreign, Home and State Missions and Council members taught Study Courses on these mission areas.

A Baptist Women's Prayer Retreat was held at Main Street Baptist Church. A Prayer Retreat for Baptist Women was held at Camp Bear Walla, and this was an enriching experience. Barbara Joyner, author and lecturer led the retreat.

G.A.s had a week of camp at Bear Walla and the younger G.A.s had a day camp. The B.Y.W.s and Acteens have also had Associational meetings.

We have had no Mission Friends Director this year, but pray that someone will be led to take over this area of work.

A Workshop was held at East Flat Rock for all Associational W.M.U. leaders.

Let us all remember that only to the degree that we are missionary will we be able to lead others to be missionary.

Marguarite McCraw
W.M.U. Director

R.A. REPORT

There are many things that should be said about the R.A. Programs of our churches. One of the most important, if your church has boys that are R.A. age and you are not giving them the opportunity to study missions, have group fellowship, and win Scholarships, we are as thieves. This summer I had the opportunity to be a part of the R.A. Camp of Carolina Baptist Association at Camp Bear Walla. These boys had the opportunity to study God's Word together with Missions emphasized. Other acitvities included camp craft, hikes, sports fishing, pillow fights, and all the things that can bring back a flood of memories in the years ahead.

There seemed to be a spirit of revival. The worship time was very special as the boys testified of the precious power of God working in their lives and witnessed two of their peers coming to know Christ as their personal Saviour.

We can think ahead to the summer of 1983. Realizing that 1982 camp was good, 1983 Camp can be even better. Plans are being made to accommodate a much larger group of boys. Many of the leaders of the 1982 Camp are already clearing their calendars to be ready for 1983. Missions, Bible study, fellowship, these are the builders of the churches of the future.

With many plans made there is still much that needs our attention. Take time now, tomorrow may not be soon enough. Let's follow the lead of the R.A.'s. Let's move up and on for Christ.

Bob Arrowood
Brotherhood Director

YOUTH MINISTRIES REPORT

It's good to look back. To remember the blessings and joys of last year.

As we look back we remember the hard work of our summer Youth Minister. Brad Riddle was a blessing to many youth, as well as an effective minister to our churches.

Our Youth Nights were well attended and worthwhile. The C.S.M. Choir from Mars Hill College truly spoke through their music and witness. The message from Randy Kilby was powerful and many decisions were made.

Our Youth Council worked hard all year long. Not only is it important to minister to youth, it is equally important for youth to minister.

Our Youth camp under the able and willing leadership of Dewey Thomas was a success. Camping does speak to youth needs.

This year saw the formation of a Youth Ministers Fellowship. These special people deserve our concern and prayers.

While it is good to look back and remember, it is important to look ahead in faith and expectancy.

Next month our new Youth Council will organize itself for an exciting year. Ronna Pinkerton will serve as our Youth Director.

Garry Goodin will be seeking ways to encourage our churches in Youth Ministires, as well as developing new training opportunities.

Our Camp 83 will be better than ever. Dewey Thomas will be fitting the pieces together to make Camp a place for our youth to get away whle finding themselves.

Our Fellowship for Youth Ministers will be developed and hopefully become a vital and active group in our Youth Ministries program.

Something completely different will take shape during Youth Week. The plan is a simple one, but a very exciting one. We whil have a Youth Explosion when youth of our churches will preach, testify, sing and share their faith in a unified evangelistic event. You must make this matter one of prayer.

Our Summer Youth Minister will be on board in June. He will carry on an aggressive ministry for our Youth and churches. More will be heard about his work.

Remember, "The World at our doorstep . . . is our opportunity." I am privileged to serve you and hope you will express your concerns and needs. We have much to do together.

Jimmy Cox
Youth Ministries Director

MEDIA LIBRARY REPORT

Carolina Media Library Organization sponsored the first College Day Drop-In on November 7, 1981. Dr. Dan Shive, Wingate College, represented the seven Baptist Colleges in North Carolina - Campbell, Gardner-Webb, Mars Hill, Meredith, Wake Forest University and Wingate. Information and materials were available for interested students. The Second Annual College Day Drop-In was held October 9, 1982. Jeff Gordon, Mars Hill College, Rev. Phillip King, Chowan College and Rev. Gene Adams, Bluefield College in Virginia, repersented these colleges. Materials and information were available on colleges in North Carolina, South Carolina, Virginia, and Tennessee.

The Video Tape, "How to Make Audiovisuals" was viewed for the program at the November meeting. The Learning Team: The Learner, the Leader, and the Library was taught at the February meeting with followup sessions to meet the requirements for Study Course Credit.

Naples Baptist Church and Balfour Baptist Church dedicated their Media Libraries during the year.

The August 23 Media Awards Banquet honoring those who had earned their Media Diplomas was the highlight of the year for the Media Organization. Bob Goode, Media Consultant, Baptist State Convention, was the speaker. Other special guests were: Sue Fitzgerald, Mars Hill College, Mr. & Mrs. Wayne Harmon, Transylvania Association, Rev. and Mrs. Marshall Simpson, Polk Association, Ron and Peggy Pinkerton and all the Media Directors and staff members in our Association. The following earned diplomas: Media Services Diploma, Hazel Duncan, Faith Searcy, and Mary Lou Jones; Media Skills Diploma, Hazel Duncan and Faith Searcy. A slide presentation featured 11 of the 14 churches who have Media Libraries.

Goals and plans for next year include followup on continuing project goals; assist and encourage four churches to organize or reorganize Media Libraries during the next year; elect a Program Director and Education Director to fill the slate of officers for the organization; set up a calling committee for contacting Media leaders; and assign each church in the Association to one of the officers for personal contact each quarter. The Media officers are: President, Hazel Duncan; Vice-president, Faith Searcy; Secretary, Bea Booth; Technical Processes Director, Joyce Davis; Education Director, Sharon Gentle; and Program Director, Mary Lou Jones.

As Media Director I have:

Held quarterly planning meetings with Media Officers in preparation for Quarterly meetings of Carolina Church Media Library Organization.
Represented Media on Associational Church Development Council and Associational Council.
Visited Naples Baptist Church Media Library Center after dedication.
Attended Dedication of Balfour Baptist Church Media Library Center.
Taught: The Learning Team: The Learner, The Leader, and the Library.
Attended Key Leadership Conference at Ridgecrest.
Earned Media Services and Media Skills Diplomas.

We look forward to another year of progress in reaching our goals and meeting the needs of the churches in our Association.

Hazel M. Duncan
Media Director

MISSIONS MINISTRIES COUNCIL

Missions Ministries Council is made up of committees that function in various areas of work within our Carolina Baptist Association. These committees are:

Membership	New Work
Migrant	Mission Store
Family Life	Evangelism

Attending the North Carolina Key Leadership Conference at Ridgecrest in April was "an eye-opening" experience. The task before us is almost limitless - room for growth in our work, room for many more dedicated committed Christian leaders in every area of our Association's outreach to people.

People are here in our Carolina Baptist Association. Look at these population figures:

1970		1980	Est. 1982
42,804		58,580	63,000
Increase in 10 years	15,776		
Increase in 12 years	20,196		

Records of our Baptist churches do NOT reflect a comparative growth. Work - much work to be done in obedience to our Master's Go Ye.

The opportunities to be on Mission for our Lord must involve You Now.

Audrey Saunders
Chairman, Mission Ministries Council

EVANGELISM REPORT

Some very positive results were experienced in lives of people and churches which prayed, planned and participatee in the People Search and Here's Hope Revival. Words of appreciation and encouragement are given to the churches and pastors of the Association.

In our work with the churches and pastors, some very real needs in the area of evangelism were discovered. We do not have the space to list all of the needs in this area. Most of us are all too aware of many of the evangelism needs. We do recommend to the churches, pastors, and Association a definite and specific course of action that we believe is biblical and will be successful in reaching more people for Jesus Christ and salvation.

We are recommending to the churches, pastors, and other key leaders that a Church Evangelism Leadership Committee be appointed to assist and lead the church in an aggressive perennial ministry of evangelism. Most churches have a committee for other things that are not biblical or at least are secondary to Christ's mandate for evangelism. The purpose, persons and procedures for a Church Evangelism Committee was provided in the August newsletter. Additional copies and information can be secured from the Associational Office.

The major need of 1982-83 is to lead our churches in getting lay persons to assist the pastor in leading their church in evangelistic outreach. The Associational Evangelism Committee will need the names of the members of the local church Evangelism Committee. The Church Clerk or some designated person is requested to forward this information to the Association Office as soon as it is available.

Jim Byrd
Chairman, Evangelism Committee

FAMILY LIFE COMMITTEE REPORT

The Family Life Committee, being newly formed, has set forth as its goal to develop a strategy for leading the Association to be more conscious of Family Life and to make plans to strengthen the Christian home.

Equipping Center Modules and other literature has been made available to our churches through the Associational Office. In the months to come, the Family Life Committee hopes to provide additional materials and possibly a series of seminars to better aid our local churches in meeting special needs of our families.

Dewey Thomas
Family Life Chairman

The work at First Baptist was under the direction of Jim Hammond and many, many more who helped.

V. REVIVAL: The Spanish Revival was held at Mt. Moriah Baptist Church on August 19 and 20 at 7:30 p.m. Rev. Horton preached on Thursday and Mauricio Vargas preached on Friday.

VI. MIGRANT NIGHT was held at Hendersonville First Baptist Church on September 19 with Rev. Ronnell Owensby, Cowpens, South Carolina, First Baptist Church, speaking in Spanish. After the service, a reception was held.

VII. WHY A MINISTRY? Lost souls are among us. The world is at our door. Jesus said, "In as much as ye have done it unto one of the least of these, ye have done it unto me." Matthew 25:40.

Chairman, Migrant Committee

BEAR WALLA CAMP REPORT

1982 was one of our best years at the Bear Walla Baptist Camp. We had approximately 1,100 to attend the camp. These consisted of G.A.'s , R.A.'s, Youth groups, Baptist Students, Senior Adults, Prayer retreats, and others. Many decisions were made, and only time will tell what the camp meant to them. God blessed us in many ways. We thank God for what happened at Bear Walla Camp.

We are also grateful for all who put time and effort into the camp. Several people from our churches spent time working on the grounds. Some young people came out and helped us. Several churches took cabins as a project and put them in order. At least two men brought their heavy equipment and did valuable work on the grounds. Some churches put the camp into their budget. Others lent money interest free to complete the bath house. It is wonderful what can be done when people have the mind to work and a heart to give.

Much progress was made on the camp this year. We were able to complete the new bath house, to build the ramp leading into the dining hall, to sand and polish the floors. The WMU painted the tables. The ball field was grassed and roads were built. The walk-way across the large lake was repaired, the leaks in the large dam. The cabins were painted including the roofs and the grounds were cleaned around the cabins. When one comes on the grounds, he can see many improvements that were made.

Things that need to be done: 1. We need a swimming pool for our children. They have swum in a mud hole long enough. This will cost money, and we hope friends of the camp and lovers of our children will come to our aid at once! If we cannot get money to build a pool, we shall need to improve the small lake. We hope our people will rally with us in this worthy cause. 2. We need to repair the steps leading to the cabins. 3. The roads need to be repaired. 4. Landscaping around the new bath house will need to be done.

We believe this camp has a future, and we hope that every Baptist in the Caroling Baptist Association will have a part in it. Let us not have the embarrassment of one lady who came in with a group of children for a week. She said to me, "Brother McGee, I have mever been so ashamed of myself in my life. We are using this camp, and my church has not done a single thing for it."

Let us thank God and move toward our future. If we lose the children of today, we will lose our churches of tomorrow.

HOME MISSIONS REPORT

In a time of economic crisis, nuclear power struggles, and family break up Bold Mission Thrust cannot be an experiment. The next twenty years will be the most important years our nation has faced. Either we will strengthen our commitment as a Christian nation or we will move to a position where we will have no Christian influence on other nations. Our moral decay will bring great discomfort to our lives.

Bold Mission Thrust is a phase that has fantastic possibilities to guide our direction as a nation. Southern Baptists are attempting to give every person in the world an opportunity to hear and respond to the gospel of Christ by the year 2000. God has led us to this responsibility but the results of our actions are yet to be seen.

Young men, women, and senior adults as well are responding to His call for vocational and volunteer ministries. In 1981 the Home Missions force reached a record 3,074. Mission Service Corps volunteers numbered 543 and 34,200 volunteers contributed immeasurably to Home Mission work. God has also led in the establishing of a Southern Baptist Church in every state.

The Annie Armstrong Easter Offering totaled 18½ million dollars and the Cooperative Program gifts to the Home Mission Board reached almost 16½ million dollars. This was the largest amount ever received by this agency.

As a denomination, Southern Baptists are better equipped for the challenge of sharing the love of Christ with our nation than ever before.

Peggy Pinkerton, Representative
Home Mission Board

OUR OPPORTUNITY"

THE FOREIGN MISSION REPORT

The 1981 annual report of the Foreign Mission Board bears the title "Giving Boldly." The biblical pattern for giving is so audacious we tend neither to believe it or follow it.

The motivating force is LOVE. The model is clear. God gave His Son. Jesus gave His life. The early followers first gave themselves. The purpose of such giving is that all the "whosoevers" of every time and place will not perish but will have eternal life from God.

Quoting from The Commission: "Did you know we have. . . . .?

IN HONOR OF JOHN S. AND DORIS T. McGEE

John S. McGee, son of Mr. & Mrs. C.C. McGee, was born May 20, 1913 in Winston-Salem, NC. Doris T. McGee, daughter of Mr. & Mrs. E.G. Thompson, was born January 13, 1918. They were married August 23, 1941 and have two sons, John David, Seattle Washington, and Sidney, Knoxville, Tennessee, and one granddaughter.

John and Doris graduated from Baylor University, Waco, Texas with bachelor of arts degrees. John graduated from Southern Baptist Theological Seminary with a bachelor of divinity degree. Doris attended Woman's Missionary Union Training School (now merged with Southern Baptist Theological Seminary). Both attended Mars Hill College, Mars Hill, NC.

John and Doris McGee were appointed by the Foreign Mission Board in April,1945. and served in Nigeria for 33 years, retiring in August, 1978. While in Nigeria they taught at Baptist College, Iwo, Nigeria, and were houseparents at a boarding school for missionaries children in Oshogho, Nigeria. Later in Nigeria they were stationed in Ikogosi and also Igede, where John founded a Baptist boys' high school and served as its principal for several years. He was involved in construction of buildings at Nigerian Baptist camp. His last assignment in Igede was doing evangelistic work as adviser for 85 churches in seven associations and directing the camp. Doris assisted him in the supervision and work at the Nigerian Baptist Camp.

While in Nigeria, John was made a chief twice. Very few white men have been made chief once, and no others twice. He was made a Chief at Ikogosi and a Lifetime Chief at Igede. On display in the Center for Christian Education Ministries at Mars Hill College are Doris and John's Chief suits and other artifacts including a beaded walking cane,he is the only white man to be given the honor of receiving such a cane.

Since retiring in 1978, the McGee's have made their home at Fruitland and are members of Fruitland Baptist Church. They have traveled extensively teaching and speaking about Missions. John has called on his experience in Nigeria to help with our own Camp Bearwalla. He has spent time, money and labor at the camp. He can see the vision of what can be done at Camp Bearwalla, he has seen it done in Africa. His dedication and tireless efforts have helped bring the camp to what it is today. Last year over 1000 campers attended and 57 known decisions were made with 223 rededications. One of His major efforts has been the completion of a swimming pool which was finished in time for camp this spring.

These 1983 Minutes of the Carolina Baptist Association are dedicated

IN HONOR OF JOHN AND DORIS McGEE.

IN MEMORY OF MR. and MRS. JAMES EVERETTE McMINN

James Everette McMinn, son of James Newton and Emma E. Love McMinn, was born September 12,1896. He died January 12,1981. Idalane Harper, daughter of Robert and Elizabeth Maxwell Harper, was born July 4,1897. She died October 21,1983. Both were natives of Henderson County, North Carolina. A veteran of World War I, Everette, served in France.

The McMinn's were the proud parents of eight children, Lloyd E. McMinn, deceased; Marie M. Bagwell, McKenna, Washington; Gladys M. Watkins, Foy McMinn, Bobby McMinn, Hazel M. Duncan, Blanche M. McGaha, and Audrey M. Magness, all of Hendersonville, NC. They had 12 grandchildren and 13 great grandchildren.

They were both members and loyal supporters of Locust Grove Baptist Church. When there was a need for added space for a cemetary, Everette and Idalane made a gift of the property to the church. They taught their children the true Christian values - the way of salvation, love of God, support of their church and loyalty to their country. Honesty,loyalty and dependability were characteristics they lived by and values they shared with all with whom they came in contact. Especially in times of need, comfort was given through loving, listening and caring. Their exemplary stewardship involved gifts of service, love, prayer, and time.

In times like these, when we are looking for ways to **Strengthen Families**, this Committe feels the McMinn's are a shining example to follow.

These 1983 Minutes of the Carolina Baptist Association are dedicated

IN MEMORY OF JAMES EVERETTE AND IDALANE H. McMINN

DIRECTOR OF MISSIONS REPORT

First of all I would like to express appreciation to all the people who have served on Committees and have served as officers of the Association. Many individuals have spent hours in service helping us to be more effective in the Lord's work at the Associational Office and at Camp Bearwalla. We deeply appreciate each person who gave of their time and effort for the Association.

Major improvements have been made at our camp. The swimming pool is the major addition. We still need $6,000 to finish paying for the pool. One of the greatest accomplishments was the calling of E.J. Jenkins as the camp director. He has done a fantastic job.

The Association progarm has included training for most church programs this year. We have had special workshops for Church Training, Music, Youth and WMU leaders. The Executive Committee has provided training for the previously mentioned leaders as well as for Pastors, deacons, and Brotherhood directors. Having the seven church leaders as members of the Executive Committee has worked well this year. We have doubled our attendance at the meetings plus sharing important information for the program leaders.

The Office Location Committee has looked at a lot of property but the right location and lot has not been found. We rent the building we use for the Asssociational Office on a month to month basis and there is a need for extensive repairs, so a more permanent location for the office is needed.

At the July Executive Committee meeting, the Committee set the following priorities for our Associational work:

1. Family Ministry
2. Ministering to and reaching new people
3. Camp Bearwalla
4. Training of Church Program leaders
5. Ministering to Divorced Families
6. Ministering to Families with Alcohol and Youth Problems

The thrust of the planning of the Association will be to meet these priorities. Check carefully the calendar for training events for the church leaders. The Family Life Committee is planning a major conference next year. We are hoping our Sunday School Emphasis will help us reach new people. The Growth Conference scheduled for March 18 - 20, 1984 will be designed for this purpose.

I want to use all the skills God has given me to support His work in our churches. Pray with me that I can do this and that the work of the Association will bring people to a closer relation with the Lord Jesus Christ.

Ron Pinkerton, Director of Missions

HISTORIAN'S REPORT

"The World at Our Doorsteps." This statement certainly is true in our Association. We have people from all parts of our world making their home here. God has given us an opportunity to minister in so many ways. As we join together to spread the Gospel, there is something for each of us to do, as an Association, a church, and as an individual.

The year 1982-83 has been a glorious year and God has blessed in so many ways. Let us look at some of the opportunities that were provided for us. We had a very successful World Missions Conference, September 26-29, with 26 of our churches participating.

We also had:
A Marriage Seminar
Senior Adults sponored an Evangelism Explosion
Spanish Class was held for those working with our migrants
Vacation Bible School Clinics
Youth Workers Clinic and a Youth Workers Workshop
Special planning session at our Executive Committee meeting led by Jim Royster.
Association Music Workshop

A new format was formed for our Executive Committee with each church having seven representatives instead of two. These are to be the Pastor, Chairman of Deacons, and Directors of Sunday School, WMU, Church Training, Brotherhood, and Music. We meet once a quarter. We have two parts now to our meetings, our business session and our group meetings. This helps to keep our churches better informed.

We are so thankful for what God has done with our Camp. He blessed us by sending Rev. E.J. Jenkins to be our Camp Director the first of April. Many improvements have been made to Camp Bearwalla including a new swimming pool. On Saturday April 16, at 6:00 a.m., the "Garden of Prayer" was dedicated. This was held by our WMU during their Garden of Prayer Seminar.

We observed Associational Emphasis Week, May 16-22. On Monday night, May 16, we honored our Director of Missions and his wife, Ron and Peg Pinkerton, with a reception.

Some historical events in some of our churches are:

Beulah: Debt retirement on Church building

Broad River: Voted to start giving to the Carolina Baptist Association and the Cooperative Program.

Ebenezer: "Ingathering Day For Missions" receiving over $9,000.

Fruitland: Reorganized Church Training and operating a church van.

Liberty: Built new picnic area with ramp for handicapped. Renovated basement for new class room expansion

Main Street: Sponsoring a new family of four Cambodians

Mountain Valley: Observed 50th. Anniversary of church

Mt. Gilead: Observed 100th. Anniversary of church

Pleasant Grove: Number 1 in the state in the ratio of baptisms to membership. A picnic building has been built which will be used for Homecomings, VBS, and Youth activites.
Refuge: Rev. George Roberts retired May 25, 1983 after 38 years as pastor. His church honored him with a Reception and raised money to help him build his retirement home.

We are thankful to God for all that has been accomplished in our Association. It takes us all working together with God for us to reach our goals. We look forward to even greater things as we join in prayer for God's guidance. "We are labourers together with God:..." (1 Cor. 3:9a)

EXECUTIVE COMMITTEE REPORT

The Executive Committe met four times during the year. With the change in the structure of the Executive Committee meeting, there was an excellent attendance and a wonderful spirit of Christian fellowship at each meeting.
In January, it was reported that we have four centers of Migrant Ministry - Naples, Mt. Moriah, East Flat Rock, and Hendersonville First. Rev. John McGee presented plans for a new swimming pool at Camp Bearwalla, and he called upon all of our churches to cooperate in raising the necessary funds. He stated that roads have been cut in the camp, and a parking lot has been started. Rev. McGee indicated that the Camp Committee expects to bring up in the new business section a camp director possibility. Ron Pinkerton reported that we have scheduled seven weeks of camp already. He stated that the North Carolina Baptist Convention is working with us in three areas - Industrial Chaplaincy, Spanish Mission, and Youth Program. Ron Pinkerton introduced new workers in our Association: Tim Jones, Brotherhood Director; Walton Marsh, R.A.Director; Doris McGee, Senior Adult Director: and Hilda Sitton, new secretary in the office. Ron Pinkerton recommended that we bring the man endorsed by the Camp Committee to work with the Association and also work as the Camp Director. This was put into a motion, seconded, and adopted. In order to get a qualified man the budget would need to be increased. The recommendation was made that the Association budget be increased an additional $5,000. This motion was seconded and adopted.

On March 22 there was a called Executive Committee Meeting at Main Street Baptist Church. At this meeting Reverend and Mrs. E.J. Jenkins received a unanimous call to be Camp Directors. Their work was to begin April 1.
The Executive Committe met April 19 at Fruitland Baptist Church. A delicious meal was served at 6:00p.m. Group meetings were held from 6:45 to 7:35 p.m. The business session began at 7:45 p.m. New pastors and staff were Rev. Bill Freeman and Mr. and Mrs. E.J.Jenkins. Rev. John McGee thanked Mr.Pace of Saluda who donated his time and bulldozed for the swimming pool and the parking lot at Camp Bearwalla. More than sixty women attended the Prayer Retreat at camp April 15-16. At that time the Prayer Garden was dedicated. The WMU Director, Marguarite McCraw, reported that the Prayer Retreat was led by Miss Martha Franks and Rev. and Mrs. Jim Byrd. The VBS Director reported that two clinics were conducted at East Flat Rock with thirty-five churches represented and 161 in attendance. The Sunday School Director reported that eight churches have increased their enrollment. The Director of Missions, Ron Pinkerton, reported that the Office Committee is still looking for a building or other opportunity. He recommended that we take a special offering for the camp during Associational Emphasis Week, May 15-22. This was put into a motion, seconded,and accepted. Under new business, the title of Rev. Jenkins was changed to Associate to the Director of Missions so he can continue his insurance as is.
July 19 the Executive Committe met at Naples Baptist Church. An excellent meal was served at 6:00 p.m. Following the meal, Jim Royster, from the Mecklenburg Association, led the group in thinking about our proirities as an Association. Proirities that were given top consideration were family ministry, outreach, camp, and church program assistance. Rev. Jenkins gave an encouraging report on Camp Bearwalla. At that time there had been 57 professions of faith, 223 rededications, 300 commitments, 14 full-time Christian service, 14 groups, and 932 campers. The Budget Committee recommended that the Association pay one half of the Social Security for the Director of Missions. This was put into a motion, seconded and accepted. Ron Pinkerton reported that John A. Law had left $13,052 in his will with the request that this money be set up in a Trust Fund to be used by Baptist ministers who may have a need for help. By vote of the Executive Committee, it decided that the Associational Council will administer these funds.

Bill Willingham, Moderator

VACATION BIBLE SCHOOL REPORT

Bible School continues to be one of the most effective ways to reach boys and girls for Christ. This is one of the major objectives of V.B.S.

This year our Associational Team of V.B.S. Workers attended the State V.B.S. Clinic. This provides good training for these workers who in turn lead the age level conferences in our Associational V.B.S. Clinic. We had two Clinics this year and reached most all of the Churches in our Association.

V.B.S. reports from the local churches indicate that we had many good Bible Schools in our Association this summer.

My personal thanks to each of you as you cooperate with your Church in promoting V.B.S.

Mrs. Alex Booth, V.B.S. Director

YOUTH MINISTRIES REPORT

For more than ten years I have served the Carolina Baptist Association in the capacity of Associational Youth Ministries Director. It has truly been a joy to see so many wonderful people who are concerned for the Youth of our Community.

Over those years we have seen some big events. 1973 was the year hundreds of youth marched down Main Street in opposition to Liquor by the Drink. "The Robe" an Easter Drama was presented by many of our youth from many of our Churches. It was good to see such wide support. The Albert Long Crusade was certainly a powerful testimony.

Above all, the greatest joy has been to witness the spiritual maturity of so many fine teens. Today they are serving the Lord as Missionaries, Pastor's, Church Staff Personnel, and other just as important vocations in life.

May I take this final paragraph to urge our great Association to maintain it's commitment to the Youth and support the work with our time,talent and money.

Jimmy Cox, Youth Ministries Director

BROTHERHOOD REPORT

During the past year the Brotherhood Directors have met twice during the Executive Committee meetings.

Mr. Gail Brown of the Brotherhood Department was present at our meeting on January 18th. at Main Street Baptist Church. Our discussion was basically focused on the organization and function of the Brotherhood in the local church.

At the April meeting at Fruitland Baptist Church, our new Camp Director, Rev. E.J. Jenkins, was present to inform us of future plans at Camp Bearwalla. Also there was discussion of Brotherhood work in each of the churches represented. It was agreed by all that our R.A. work was much more productive than that of our Baptist Men. We felt a need for our men to be more involved with the work of the local church.

Also during the year several of our churches formed Brotherhood groups or re-committed themselves to be more of a functioning group in their respective churches.

As we begin a New Year, let us pray for a deeper concern and involvement by the men in our churches.

Timothy P.Jones, Brotherhood Director

R.A. REPORT

This has been a year of renewed interest in the Royal Ambassadors in our Association, the hi-light of which was our R.A. Camp at Camp Bearwalla. During the first week in August, 88 boys met for a great camping experience. There were 51 campers from the Buncombe Association and 37 from the Carolina Association. During the week we experienced 15 professions of faith in Jesus Christ and 7 rededications.

We want to especially thank those who were counselors for the boys, spending day and night caring for them. They were Forrest Nash, Brad Riddle, Mike Fisher, James Reid, Owen Brendell, Tommy Justus, and Randy Bellinger. And a special thanks to our camp director and his wife, Rev. and Mrs. Jenkins.

WOMAN'S MISSIONARY UNION REPORT

On November 1, 1982 the WMU Council conducted the Baptist Women World Day of Prayer meeting at Mills River Baptist Church. This is an annual event where all Baptist Women around the world join together to pray for their fellow man.

The WMU promotes a Week of Prayer for Foreign, Home and State Missions and we encourage a good offering for these missions as well as Association Missions. The emphasis on Foreign Missions was in November and December. There is a Study Course conducted along with Foreign and Home Missions, so that we may learn what our missionaaries are doing and what the needs are.

The WMU sponsored a Prayer Retreat for Baptist Women at Camp Bearwalla on April 15 and 16. In spite of the cold weather all who attended received a blessing from hearing and being with Miss Martha Franks, a retired missionary, who lead the retreat. On Saturday morning, April 16 a Prayer Garden, located beside the lake, was dedicated.

In 1983 our Annual State WMU meeting was held at Ridgecrest, and this was fortunate for us to have the meeting this close, as a larger number of women from our Association were able to attend.

Our Association Workshop was held at Balfour in August, and all the leaders felt it was one of the best Workshops we have had. We had good attendance and feel we are communiating with the various churches better than before.

We are planning to have another Prayer Retreat in the spring of 84, so please encourage the women of your church to participate. We would like to draw unchurched, unsaved women and those who have problems, to these Retreats (and perhaps your church might sponsor some to attend.)

The WMU Council covets your prayers.

Marguarite McCraw, WMU Director

SENIOR ADULT REPORT

At the beginning of this year there were seven groups of organized Senior Adults. Now at the ending of September, 1983, there are thirteen.

The first Associational meeting of Senior Adults for 1983 was held in March at Main Street Church. There were 116 present from 13 churches. Mrs. Pauline Reese from Hendersonville First Baptist was elected as Secretary-treasurer. Miss Sue Garren of Fruitland Church was elected as Assistant Coordinator. The second meeting was held in June at Camp Bearwalla. It was rainy so there were only 53 present from nine churches. The third meeting was held in September at Hendersonville First Baptist with 100 present from ten churches. Mr. Ted Williams from the Department of Aging from Raleigh spoke to us.

We hope there will be Senior Adults in other churches who would like to organize. Let us hear from you if we can be of help. (Telephone - 685-8343)

MISSIONS MINISTRIES COUNCIL REPORT

YOUR MISSIONS OPPORTUNITY: Families are moving into our area every day of the week. Let's do our part to involve them in our spiritual community also.

Visit newcomers. Invite them to worship in your church services. Be a good, friendly neighbor to those around you.

Home Bible Study groups is a Missions Opportunity at our very door step. These groups offer opportunities for fellowship, spiritual growth and development as you meet together once a week to study God's Word. Materials are available for these study groups from our Baptist Sunday School Board in Nashville.

Will you accept the challenge to begin a Home Bible Study group in your area? Some churches need to begin more than one group. Pray about the needs in your community and lead your church to be one of at least 30 to accept this challenge to reach more people for Christ.

FAMILY LIFE COMMITTEE REPORT

A recent survey, taken during a Sunday School Workshop in our Association, indicated that our interest in the area of Family Life polled at the top!

The Committee on Family Life is continuing in its efforts to provide the Churches of our Association with updated literature and materials pertaining to Family Life.

We are currently planning to provide a Seminar in the spring which will offer sessions for the family and for Pastors and their wives. It is our hope to provide an opportunity to those who desire to gain new insight into daily family living, with a means of informative and helpful resources.

The problems we face today within the family structure have no easy answers. In fact, they are becoming seemingly more complex than ever before. Together we can reach out to meet the special needs that confront us each day of our lives.

EVANGELISM COMMITTE REPORT

The Evangelism Committe met four times during the year. We discussed several possibilities for furthering the outreach of our churches and Association in a united effort of evangelism.

We had a problem of getting all of our committee members together at one time. We urge them to put this high on their list of priorities for 1984.

We feel a great need for an Association-wide Evangelism Conference or a Crusade. We discussed having a crusade and inviting a well known individual such as Cliff Barrows, Chuck Swindoll, or Ron Lewis to speak. We are praying about this matter and exploring avenues of appropriating the funds needed.

Sone of the Evangelism Committee members attended the Key Leadership Conference at Ridgecrest this year.

We feel a great need to accelerate our efforts in evangelism in 1983-84. Pray with us that God will lead us in these efforts.

Tommy Martin, Chm., Evangelism Committee

NEW WORK COMMITTEE REPORT

The New Work Committee met each quarter during 1982-83 and considered six areas of possible new ministries:

1. A mission church service for resident Spanish speaking families.
2. Extension Sunday Schools in mobile parks and apartment complexes.
3. House church or satilite church.
4. A new church work.
5. Plant ministries.
6. New neighbor awareness.

The First Baptist Church of Hendersonville has made their Chapel facilities available on Sundays at 11:00 a.m. for the resident Spanish speaking mission. That work is scheduled to begin in October of 1983.

The concept of new neighbor awareness was presented at the Carolina Associational WMU Workshop, September, 1983 at Balfour Baptist Church. The report was well received and is currently under considertion.

Rev. William F Wilkinson, Chm., New Work Committee

CAMP BEARWALLA REPORT

Salvation is a free gift of God (Eph. 2: 8), but this is only the beginning. Salvation must be developed to bring about full fruitbearing Christians. This is the purpose of camp. This is what has taken place this year. It has been a good year. We have been able to do some improvements.

Improvements include:

1. The newest addition is the Prayer Garden decicated by the Associational WMU in April.
2. The Chapel has been underpenned with new foundation.
3. The swimming pool has been built at a cost of $28,902.27. Still owing $6,000.00 on the pool. We need to concrete around the pool inside the fence. The grass has been sown on the steep bank beside the swimming pool.
4. The parking lot at the lodge has been enlarged.
5. Some of the churches are working on their cabins.
6. A new canteen was built onto the lodge building.

These are the physical developments, but the spiritual development is much more rewarding.

Thirty-two groups have used the facilites. Nine of these being full week camps, with the results being 123 professions of faith, 232 rededications, 360 other decisions and 14 decisions for full-time Christian service. Each week camp there were Foreign and Home Missionaries speaking. Many hours of Bible study was on the schedule each week. Over 3,000 people came through the camp, with over half of these registering.

I think that all who read the above report will understand that there has been much progress made in the camp this year. The future of our camp is bright.

The coming of Rev. and Mrs. E.J. Jenkins has been a blessing to our camp. It would have been hard to have found a more suitable couple for the camp. We thank God and press forward. We believe that by the help of all of our churches we can have something at the Bear Walla Camp that all of us can be proud of.

We want to express our deep thanks to Miss Ruth Pace who cooked for the camp. We also express our deep gratitude for others for the work they have done and for all who have shared in building the pool.

May all of us join heart and hands and make the camp what it should be.

John S. McGee, Chm., Camp Council

NORTH CAROLINA MISSIONS

The ministries of the Baptist State Convention of North Carolina stretch far and wide, all with the basic purpose of helping to know the true eternal hope that only Christ can give. Each ministry gives its own form of hope for those with particular needs. The seriously ill, homeless children, and older persons find hope through Baptist Hospital, Baptist Children's Homes, and North Carolina Baptist Homes. Our seven colleges and universities welcome any student hoping for a Christian education, even if his financial means are limited.

Fruitland Baptist Bible Institute is a source of hope and encouragement to men and women called by God to serve many of our North Carolina churches. Thousands of lives are more hopeful because of the mission outreach of North Carolina Baptist Men and Woman's Missionary Union. Persons who are deaf or blind or mentally retarded have greater hopes of fitting into a church family because of our State Convention.

The central support line for these and a myrid of other ministies and programs is the Cooperative Program, through which you give with your regular offerings Sunday by Sunday. But once a year we set aside time to consider the array of work we do and give "something extra" through the North Carolina Missions Offering. Our NCMO gifts are a vital supplement to the Cooperatiave Program and make poossible a particular service not otherwise supported.

The allocation for this year's NCMO is as follows:

27%	State Missions Ministries	$742,500
	5% - Caraway Conference Center (32 bed expansion)	
	5% - Caswell (upgrading camp facilities)	
	17% - Other Mission Minstries	
3%	North Carolina Baptist Men	82,500
30%	Baptist Children's Homes	825.000
15%	Baptist Hospital	412,500
15%	Baptist Homes for Aging	412,500
5%	Christian Higher Education (Scholarships)	137,500
5%	Heck-Jones (WMU)	137,500
		$2,750,000

CHRISTIAN EDUCATION REPORT

If we are to continue to live as a Christian denomination, we must continue to support our Baptist Educational Institutions with our prayers and monetary gifts.

It is a must that we continue to give through the Cooperative Program or some better plan for the support of our World Missions Program. `United we stand; divided we fall.´ We can have a great diversity in a vigorous unity.

The right of the local church to designate its gifts must ever be recognized as a part of our Spiritual Democracy.

Our homes, our churches, and our Baptist schools must ever remain the faithful guardians and promoters of continuing and progressive education, under Christian leadership, for all the members of our total Baptist constituency.

Robert P. Hamby,Christian Higher Education Representative

CHRISTIAN LITERATURE REPORT

Concerned educators in America are advocating literacy with the slogan, "Reading is FUNdamental" (RIF). Reading is also fundamental in churches as well as in communities. None of us would want to control what church members read; but each of us exerts influence upon what others read. Pastors and church leaders can be a wholesome influence upon reading habits of Christian homes.

Some essential reading for Christian growth and denominational participation will include the Bible, the literature of church organizations, the **Biblical Recorder** and denominational publications, specific resources for Christian workers and homemakers, and other Christian material. When people are well grounded in good literature, they will not be unduly influenced by secular and the "off brand" religious publications.

One concern expressed by Baptists is the use of material in Baptist Churches produced by non-Baptist sources. This report seeks to encourage church leadership to make use of our own denominational material and to take the effort to see that it is improved. Neglecting our own literature and using what is published outside our denomination can do two things which can be harmful. It can cause an absence of the special emphasis on our denomination´s acitivities. And it can cause a lack of influence upon the quality of the material produced within our own denomination. Dissatisfaction with Baptist literature should lead Baptists to do what ever is necessary to improve it. Neglect can be serious.

It is good to be aware of good resources everywhere; but it is wise to make the best of our own as primary literature . Leaders must learn to lead.

Alex Booth, Christian Literature Representative

TEMPERANCE AND PUBLIC MORALS REPORT

North Carolina this year passed, and now has in effect, possibly the strongest drunken driving law in the nation. The new law mandates rapid and sure punishment to those who violate it and it raises the minimum drinking age from 18 to 19. Although some of us would have liked to see the new law even stronger, we can be thankful it is as strong as it is.

An article that appeared in the **Biblical Recorder** recently emphasized the following facts distributed by the SBC Christian Life Commission, reported from the National Center for Statistics and Analysis:

> Teenage drivers are involved in one out of every five fatal accidents that occur.
>
> Almost 60 percent of fatally injured teenage drivers were found to have alcohol in their blood systems prior to their crash, with 43 per cent at legally intoxicated levels.
>
> Of the 25,000 persons who die each year in drunk driver accidents, 5, 000 victims are teenagers. That means that 14 teenagers die each day in drunk driver accidents.
>
> The Surgeon General has reported that life expectancy has improved in the U.S. over the past 75 years for every age group except one. The exception is the 15-24 year old American whose death rate is higher today than it was 20 years ago. And the leading single cause for this age group is drunken driving.

Many of our people were involved in a battle this year over the establishment of an ABC Store in Laurel Park. Although they waged a valiant effort, the store was opened and according to recent reports it is doing nearly $40,000 a month volume.

We are again reminded that "Righteousness exalteth a nation: but sin is a reproach to any people." Proverbs 14:34.

HOME MISSIONS REPPORT

The Home Mission Board is responsible to help us carry out our Bold Mission Thrust in this country which means giving 250 million Americans the opportunity to hear the gospel of Jesus Christ. To do this the Home Mission Board has dual roles. It serves as a direct missions agency to reach people and as a resource agency to equip churches to reach people.

Through the strategy and planning of the Home Mission Board, 1,180 new churches and missions have been started during the year. The new churches will support and minister to those won to Christ as well as witness to others.

The Continuing Witness Training program has been developed by the Home Mission Board to prepare churches to be involved in reaching new people for Christ. Training for this program will be held at Hendernsonville First Baptist Church, April 16 - 19,1984. The pastor and at least one lay person is required to take the training in order to start the program in your church.

To make Bold Mission Thrust a reality instead of a slogan, the members of Carolina Baptist Association must actively share the gospel message.

IN MEMORY OF J.V. QUEEN AND IN HONOR OF MRS. J.V. QUEEN

Jesse Vance Queen was born June 27, 1886 in Taylorsville, North Carolina. He was the son of Robert and Susan Queen.

Mr. Queen was a man who loved God above all else, a man who loved his fellowman and was always an encouragement to all he met, a man of vision, a man of unshakable faith, a man of few words but words that meant something, a man who always spoke well of others, a man of principles, a man who inspired as he said to weary fellow co-workers, "with God we can do it," a man with a sweet, sweet spirit. That was J.V. Queen.

Mr. Queen was one of the charter members of West Hendersonville Baptist Church when it was constituted on October 14, 1934. Mr. Queen was called a man of vision as he donated much time and effort to see the first permanent church building for West Hendersonville constructed in 1936, and later on May 5, 1974 to see a new vision fulfilled as West Hendersonville Baptist Church worshipped God in the beauty of a magnificent new structure which the church still occupies. Mr. Queeen served as Deacon, Trustee, Assistant Training Union Director, and on numerous committees. Mr. Queen believed in supporting all mission projects. He grew extra vegetables in his garden to sell that he might give a more worthy offering for Foreign Missions. Not only was he a man who believed in giving abundantly of his material blessings, but he also believed in giving of himself in service to his church and to the Carolina Baptist Association.

West Hendersonville Baptist Church honored Mr. Queen on his 90th. birthday in June, 1976 and the tribute of **Glimpses of a Pilgrim** appeared in the **Times-News Town Topics**. Mr. Queen was very humble and said he just wanted to leave a few footprints at West Hendersonville.

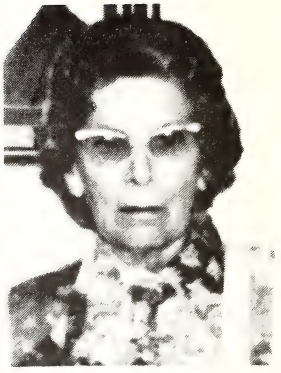
This God-loving man, who had a vision, will long be remembered by the Carolina Baptist Association. Mr. Queen went to be with his Lord April 14, 1981.

Nellie Harding was born July 18, 1907 in Fonthill, Canada. Her parents were Thomas and Annie Hurleston Harding. From Canada, Nellie moved to New York, Pennsylvania, and Florida before settling in Henderson County in 1930. Nellie Harding and Jesse Vance Queen were married December 28, 1948.

What a blessing it is to know Mrs. Nellie Queen. Not only did she support J.V. Queen in all his going and giving, but Nellie continues to serve her Lord in many ways. Nellie teaches a Church Training class at West Hendersonville Baptist Church for children ages one through three, she faithfully attends all Sunday morning, and evening services as well as Wednesday night Bible study. Nellie is active in Autumn Youngsters from her church and helps with visiting shut- ins. Mrs. Queen´s faithfulness in giving to Carolina Baptist Association´s Camp Bearwalla, the Baptist Children´s Homes of North Carolina and the Baptist Homes for the Aging has shown a lady sharing the love of God. Her cheerful smile and warmth reaches out to all who are privileged to know Mrs. J.V. Queen.

We dedicate these 1984 Minutes of Carolina Baptist Association

IN MEMORY OF J.V. QUEEN AND IN HONOR OF MRS. J.V. QUEEN



IN HONOR OF JUNIUS MARTIN AND ETHEN PRESSLEY HUGGINS

Junius M. Huggins and Ethen P. Huggins served churches in Henders County and Carolina Baptist Association as leaders and officers for a peri of about fifty years.

Junius Martin Huggins was born in Big Willow Community to Dorothy Co and Lytle Huggins and began his work for his Lord in Beulah Baptist Church.

Ethen Pressley Huggins was born to Elizabeth Nanney and Manuel Pressl in the Edneyville Community and began her Christian pilgrimage at Mt. Mori Baptist Church.

They attended high school at Fruitland Baptist Institute and we united in marriage in 1939. Two sons came to bless their home: Colonel J P. Huggins, now serving in the U.S. Air Force in Japan as Commander Communications, and the Reverend Kay M. Huggins, who serves with the You Ministries of the Baptist State Convention of North Carolina. There are t grandsons and three granddaughters.

After their marriage they became active members in the Fruitla Baptist Church where Junius was Music Director for thirty-five years a filled many other positions, especially assuming the greater responsibili for the maintenance of the church property. Ethen´s first love was Traini Union, especially in the encouraging of boys and girls to memorize God Word. She taught in Sunday School and Vacation Bible School and was f many years Director of the Pre-School Department of the church.

Junius´ vocation was carpentry and many buildings are evidence of h handiwork. His last ten years of service was as Maintenance Director Fruitland Baptist Bible Institute.

Ethen was a compassionate and dedicated public school teacher in t Edneyville and Fletcher schools. She was active in her professiona organizations and a member of an honorary society for teachers: Delta Kap Gamma.

In the Carolina Baptist Association, Junius served many years as Mus Director and held other offices while Ethen was "Mrs. Junior Memo Director" and served in the Woman´s Missionary Union and Sunday School.

Their concern went beyond the Association as they actively support the Baptist State Convention, Southern Baptist Convention and missio around the world through the Brotherhood and Woman´s Missionary Union.

They are now residents of the N. C. Baptist Homes, Winston-Salem, NC.

All their service exemplefies their love and concern for the Lord a His church, giving willingly of their time, prayers, and means.

In light of the above, Carolina Baptist Association takes gre pleasure in dedicating the 1984 Minutes of Carolina Baptist Association

IN HONOR OF JUNIUS M. AND ETHEN P. HUGGINS

2. Acting Moderator, W.W. Willingham, moved we adopt the printed program as our agenda with any necessary changes and corrections. It was seconded and passed. John Rymer, Moderator, was ill and unable to attend but sent his best wishes.
3. The West Hendersonville Baptist Church Choir directed by Oscar Horrell and accompanied by Margaret Cagle at the piano and Glenn Connor at the organ, sang "How Majestic Is Your Name?" and "Sing Unto The Lord." Mr. Willingham thanked the choir for setting a worshipful mood for the meeting and thanked Mt. Gilead Baptist Church for hosting this session.
4. W.W. Willingham appointed Paul Chandler, Jr. as Parliamentarian.
5. The Moderator introduced Rev. Dewey Thomas, Balfour Baptist Church, who will bring the annual sermon.
6. Rev. Alex Booth led the invocational prayer requesting that we become one as a service unit.
7. Rev. Dewey Thomas's sermon title was "Sitters, Getters, and Goers" based on II Kings 7:3-9. His message was that there are three kinds of Christians as illustrated from this scripture. He asked the question, "Which kind are you?" He encouraged us to be the third kind, the "Goers."
8. The congregation sang "At The Cross."
9 A cordial welcome was extended to visitors: Stanley Smith of Mt. Moriah; Hershel Buchannan, West Hendersonville; and Mr. and Mrs. Hugh Perry, Balfour.
10. New pastors were introduced: Guy Smith, Crab Creek; Harold Sitton, Mills River; and Gene Henson, Main Street.
11. W.W. Willingham moved the adoption of the Advance Book of Reports as a whole, except for portions that required individual action by the body. This passed.
12. The Moderator recognized Ron Pinkerton, Director of Missions, for the Nominating Committee report in the absence of John Rymer. The Nominating Committee recommendations are as follows: Moderator - Mervin Garrison, Vice-moderator - Greg Mathis, Treasurer - Leonard Lemmons, Clerk - Lorena Helms, and Edna Corn - Historian. There were no nominations from the floor and the recommendation passed.
13. Ron Pinkerton moved the election of the Council Chairmen as follows:

15. The next recommendation was for the listed Pastors' Council, and Representatives of Institutions and Agencies. These were elected.
16. W.W. Willingham recognized Bob Linder for a report from the Office Location Committee. Bob brought two items:
1. The Committee moves that we not consider the Bearwalla property as an office location. This was seconded and passed unanimously.
2. The Committee moved that we pursue further a proposal by West Hendersonville Baptist Church that they will sell us a 70'x100' portion of land for $5,000.00. Details still remain to be worked out such as ordinances and sale of the lot back to West Hendersonville should we decide to dispose of it. Discussion: The Moderator stated that it was better to speak now

than wait and talk outside. Ron Pinkerton, asked that the body not let the committee spend extra time if they did not want the property. Greg Mathis asked that it be described in relation to the church and roads. The property is in the back of the vacant lot used for parking by West Hendersonville Church. It is located on the corner of Hebron and Willow Streets. Other questions were: Is it large enough? Not really but we do have some agreements with West Hendersonville for use of the parking lot, etc. Any sewer, drainage, or water problems? We will need to look into that. The motion "To pursue the matter further." passed unanimously. This was not a motion to purchase. The report will be brought to the January Executive Committee for further action.

"When the family is the strength of our church, shouldn't we strengthen them?"

One church had a decreased of more than 70. Of the 36 churches who have their records in, more have declined in Sunday School average attendance than have increased. We need an Associational Sunday School Director. The Association has been without a Director since Allen Jewett moved to another area. 4. That we thank the membership of Tuxedo First Baptist Church for their hospitality; for the use of their facilities; and for the delicious meal served at the Tuesday session.
5. That we thank God for our dedicated Director of Missions, Rev. Ronald James Pinkerton, and his leadership.
6. That we pledge ourselves anew to support goals, plans and programs of the Carolina Baptist Association.
7. That we express our thankfulness to all who have worked hard to make the 107th. Annual session an outstanding success.

9. That with the continued unrest in the world, we issue a call for concerned prayer by the people of this Association for the government, the President, our decision making leaders, and all who are in critical places of leadership here and around the world.
10. That, as our 107th. Annual Session concludes, with one voice, we can all say: "Praise God From Whom All Blessings Flow."
46. Associational: Ron Pinkerton reported that we are in the middle of change. Twenty years ago we knew most of the people. Today, we may only know 20% of them. We are the 5th. fastest growing county in North Carolina. Sunday School attendance is down. We have a mission here and up until now we have not met that need - leaving pastors and people frustrated. This can be the greatest challenge we have ever faced, if we meet the challenge and lead out in new directions. Training is necessary and Ron is taking advantage of all training opprotunities to help him help the churches reach the community with the gospel of Jesus Christ.

A. Goals.

1. Every person ministering. We have the talent, equipment, gifts to do His will if we but will.

2. Develop local Missions Corp. identify who is moving in; give out welcome packet; commit to visit with every person who moves in within one month of their moving in. See new people as opportunities not intruders. Meet the challenge of change and make it a reality.

47. Ron Pinkerton introduced Bob Watson, Church Extension Department, Baptist State Convention of NC.

48 "Project Assistant to Churches in Change Certificate": Bob Watson presented the certificate to Ron Pinkerton in recognition of study through the Home Mission Board.

48. Bob Watson's topic was "New Church Opportunities." He said only 49.3 % of the people belong to churches or synagogues. 53% of the people live in urban areas but 71% of our churches are in rural areas. 33,214 people in our country have no church affiliation. Three fourths of these people are willing to be evangelized. Why are we Southern Baptists not growing? Because we have forgotten the doctrine of total depravity of man, that is that any person who has not accepted Christ is going to hell when they die. It is important to "Get Back to Basics."

49. Dedication of Minutes: The Committee recommended that the 1984 Minutes of the Carolina Baptist Association be dedicated in memory of Mr. J.V. Queen, West Hendersonville Baptist Church and in Honor of Mr. and Mrs. Junius Huggins, Fruitland Baptist Church.

50. Church Clerk Honor Roll: Hazel Duncan recognized the first 15 Church Clerks who had returned completed copies of their Annual Church Letters. A list of which is located elsewhere in the book of Minutes.

51. All elected officers were asked to stand for recognition. Officers for the following year are:

A. Moderator: Mervin Garrison, French Broad Baptist Church
B. Vice-moderator: Greg Mathis, Mud Creek Baptist Church
C. Treasurer: Leonard Lemmons, Mills River Baptist Church
D. Clerk: Lorena Helms, Fruitland Baptist Church
E. Historian: Edna Corn, Balfour Baptist Church

52. Mervin Garrison introduced Ray Roberts, Winston-Salem, a retired former Executive Secretary of the Ohio Baptist State Convention and assisting director for other conventions in that area.

53. Special Music: Mrs. Shelia Sharpe directed the Mud Creek Baptist Church Choir singing, "I've Been Changed," "Walking in Sunlight," and "Above His Name There is no Other Name."

54. Ray Roberts spoke about "The Kind of Church God Needs." He stated that the Association is the closest organization to the churches. What God does in this world, the does through churches. We need to simplify our theology and set our priorities straight.

55. W.W. Willingham closed the 107th. Annual Session singing "O my brother the Lords done been here and His love come a trickling down." Bill Wilkinson, Hendersonville First Baptist Church led the closing prayer.

DIRECTOR OF MISSIONS

One of the joys of Association work is working with dedicated leaders wh give endless hours of their time to help us be more effective in supportin the church through the Association. A big "THANKS" to our officers an committee members.

The past year has been a plateau year for the Association. We did have a excellent Sunday School growth conference with Dr. James Frost and a excellent Family Life Conference with Dr. Gary Chapman. Both of thes events were poorly attended.

The Office Space Committee has worked hard to locate a possiblity for a ne office. The proposal they brought in July did not quite meet the desire o the Association so they continue to search.

Several of our churches have been involved in special missions projects Naples has started Providence Chapel, our first mission church in 25 years Others have been involved in mission projects in West Virginia as well as a home.

Early reports indicate that three or four of our churches have ha significant Sunday School increases. This is encouraging, especially sinc our greatest challenge is still to reach out to the new people in ou Association and involve them in the work of the Lord.

Our challenge for the new Associational year is to dream new dreams, t catch a new vision. Dream with me about growing Sunday Schools. Dream wit me about helping people identify their Christian gifts and making commitment to actively use these gifts. Dream with me about a group o Christians forming a Local Missions Corp to met the mission needs here i our Association. Dream with me about new congregations starting.

The only thing that can limit this Association is the narrowness of ou vision and dreams. God has given us people and resources, His power an leadership is available - - the rest is up to us.

Ron Pinkerton, Director of Missions

HISTORIAN REPORT
1983-1984

"Reaching People" is what our work in the Carolina Baptist Association is all about. As we join our efforts together the one aim and desire of each church and individual is to reach the people in our area for Christ. We shall be able to reach our goals as we work and pray together in seeking God's will.

We are grateful for the many things accomplished in the 1983-84 Church year. I am sure there has been many more that we are not aware of, but God is, and we will see the results of all that has been done for Him.

A new ministry was started in our area, Interfaith Assistance Ministry (IAM), to relieve the churches of the problem of determining the needs of people who come to us for help. Our churches in the Association are helping to support this ministry. It has proven a great help to us.

Efforts are now being made to provide a better place for our Associational Office. Let us make this a matter of prayer for this very great need!

Association Missions Week was observed May 21-27. On Thursday, May 24 we had Associational Emphasis Night. Rev. Ron Pinkerton assisted by:

Rev. John Rymer, Moderator for Carolina Association
Miss Audrey Saunders, Missions Ministries Council
Rev. Mervin Garrison, Church Development Council
Rev. E.J. Jenkins, Director of Camp Bearwalla
Rev. Steve Underwood, Director of Youth Ministries

shared with us the work presently going on in our Carolina Baptist Association and motivated us into new areas for reaching all people for Christ.

Bob Lowman,Jr. was our Summer Youth worker this year, and did a marvelous job working with our area youth and churches.

Our Associational Media Organization held their annual banquet on August 28, with Rev. Erskine Plemmons, former Director of Missions in Carolina Baptist Association, as guest speaker. Mr. and Mrs. R.E. Nix presented an albumn of the History of Carolina Baptist Association to the Media Resource Center.

These areas of training were provided through our Association this past year:

Church Enabler Conference
Pastors' Discipling Workshop
Church Growth Conference
Key Leadership Conference attended by eight of our leaders
Sunday School Workshop led by Dr. James Frost
Church Clerk Clinics
VBS Clinics

Historical events in some of our churches:

Balfour Baptist Church paid off church indebtedness and had a note burning on May 20th.

Etowah Baptist Church erected the North Fork Baptist Church in Riverton, West Virginia in five days with thirteen volunteer workers. Approximate cost of the building was $17,955.00. It took the workers from 6:00 a.m., Monday, June 25 to 9: 00 p.m., Friday, June 29 to erect the building. It was used for service on Sunday, July 1, 1984.

Main Street Baptist Church celebrated their 25th. Anniversary, and they also sponsored two Cambodians.

Mountain View Baptist Church retired outstanding debt on Fellowship Building and Parsonage property.

Naples Baptist Church started a new work in the Fletcher area called the Providence Baptist Chapel. A dedication service was held on August 19, 1984.

Pleasant Grove Baptist Church celebrated their 125th. Anniversary on August 26, 1984.

Our Association sponsored a "Happiness Retreat" for "Special People" at Jackson Park on Friday, August 17, 1984. This was truly a special event for people who are sometimes overlooked in our churches.

Changes in Pastors:

Rev. Raymond Byrd - Mills River
Rev. David McNeill - Liberty
Rev. Allen Jewett - Main Street
Rev. Alva Ballard - Crab Creek
Rev. Jerry White - Ebenezer
Rev. Victor Blackwell - Mountain Page
Rev. Dan Holbert - Middle Fork
Rev. Jimmy McKinnish - Zion Hill

Rev. Ronald Thompson - Broad River
Rev. Harold Sitton - Mills River
Rev. Darrel Rhodes - Liberty
Rev. Gene Henson - Main Street
Rev. Guy Smith - Crab Creek

Using a quote from one of our Association Newsletters; "the logo for Associational Emphasis, 'the Association: Churches reaching all peoples,' is an abstract illusion of four persons extending their arms in a different direction. This signifies that churches in the Association are composed of individual Christians who are responsible for sharing Christ with others. All of these Christians will not reach out to the same people. Rather, each will reach out in a different direction; th s all peoples ultimately can be reached with the gospel." May this be our goal for this coming year to continue to reach out to all people. "And they went forth, and preached everywhere, the Lord working with them,. and confirming the word with signs following." (Mark 16:20)

MISSIONS MINISTRIES COUNCIL

Baptists are a Bible believing group of Christians. The Book we believe says: "Go Ye" - beginning at Jerusalem (where you are) and to the uttermost parts of the earth.

We (Carolina Baptists) must be about our task here while we send others out there.

Your Missions Ministries Council is keenly aware of the Ripe Harvest in Henderson County and Hendersonville.
Our County is one of the five fastest growing in the State. Our population is now approximately 70,000 and is expected to reach 100,000 in the next seven years.
Your committee brings you a Three Year Missions strategy plan for the Carolina Baptist Association.

I. **Every Christian Engaging in Ministry**
Every member involved in our goal. Your church will grow as members discover their gifts and engage in Christian Ministry.
Reach out to the un-churched and lost in your community
Seek out, know and minister to new-comers in your area

II. **Establish New Work**
Develop the ministry among our Spanish speaking residents - (500 or more year round)
New churches in areas where there is a need

III. **Family Ministry**

A. Marriage Enrichment opportunities
1. Pre-marital counseling
2. Husband/Wife communication
3. Parenting

B. Singles
1. Divorcees
2. Singles again
3. Career

IV. **Local Missions Corp**
1. Music
2. Association Office
   A. List new comers to area
   B. Prepare packets for newcomers
   C. Visit new people in area
   D. Computer programming
3. Volunteers - spend 3- 6 months assisting smaller church with special need
4. Camp Bear Walla
5. Interfaith Assistance Ministry (I.A.M.)
6. Various other ministries developed as need arises

V. **Missions Committee in Every Church**
1. Responsibility of Pastor, Deacons, Nominating Committee to have Missions Committee elected.
2. Leaflets available on work of the Missions Committee.

These five goals are challenging and point to needs only we can meet. The local church is the beginning place - "Go Ye" - where you are, in the name

Christ to share His Love.

EVERY CHRISTIAN IN MINISTRY "as the Father hath sent me - so send I you."

RECOMMENDATIONS FROM THE MISSIONS MINISTRIES COUNCIL

1. That the five (5) following goals be adopted for a three year period and become the mission strategy of the Association. Our individual churches are urged to adopt the same goals and develop the work through their Missions Committee.

A. An Emphasis on "Every Christian Engaging in Ministry"
B. Develop and implement a plan for establishing new work
C. Develop and implement a plan for increased family life emphasis and a singles ministry.
D. Develop a Local Missions Corp
E. Emphasize the need for a Missions Committee in every church

2. That we increase the Family Life Committee to 15 members and 5 to be designated to form a sub-committee to develop a singles ministry.

By-law Article IV Section 18 should be changed accordingly

3. That a Committee of 5 be appointed by the Moderator to develop a Local Missions Corp. Their work would be under the direction of the Missions Ministries Council and the Chairman would serve on the Council.

Audrey E. Saunders, Missions Ministries Council Chairman

EVANGELISM

This past year was a time of significant evangelistic blessing across our Association. A number of churches were involved in their own local evangelistic campaigns and many churches were involved in area-wide evangelistic efforts. We praise the Lord for the results that were accomplished.

During the spring of 1986, a national simultaneous revival effort will be conducted all across the Southern Baptist Convention. These simultaneous revivals will be know as GOOD NEWS AMERICA, GOD LOVES YOU. At the Executive Committee meeting on July 17, 1984, our Association voted to participate in this simultaneous revival effort and voted that the Evangelism Committee serve as the Steering Committee for our Association.

Much planning and preparation will be necessary throughout 1985 if this simultaneous revival effort is to accomplish that which it can for our Lord.

Every state in the union will be participating and the national goal is that 80 percent of our churches participate. It is hoped that millions of lost people will be discovered and cultivated and that some 560,000 people will be won to Christ.

The Evangelism Department, Baptist State Convention said, "America has experienced earth shaking awakenings in 1734, 1800, 1858, and 1906. We certainly are due another awakening. Could this be the time? If Southern Baptists join their hearts in prayer, give their money, believe God for a supernatural work and aggressively share Christ with their neighbors, God may choose to bless us immeasurably. God is ready. Are you?"

The dates for the revivals in our Association are April 6-13, 1986.

Paul Chandler, Chm. Evangelism Committee

MIGRANT COMMITTEE

The Migrant Committe met monthly, March through October, to plan the ministries for the more than three thousand (3,000) English, Spanish, and Haitians who came to Henderson County from July through Apple season.

HELP FROM CHURCHES:
Without the prayers of the people our efforts would be in vain. Churches provided Health Kits, money for Bibles, blankets, clothing and other supplies. Many churches provided food for the two Sunday Picnic and Evangelsitic Services and did lots of work.

CENTERS:

A. Naples ministered to the Riley Jones Camp where the Bible was taught and personal needs met. They had a first - two weddings took place and the ceremony was performed in Spanish by Rev. Larry Maze.

B. East Flat Rock held Spanish services on Sunday afternoons. Rev. Flor Morales came from South Carolina to deliver a Spanish message. The children were taught in English by members of the church. Everyone was given a Bible in Spanish.

C. Hendersonville First Baptist Church held Spanish services for the Spanish speaking. Rev. Larry Maze conducted these services. English lessons were held for English speaking by Mrs. W.R. Kilpatrick. The children were divided into age groups and taught by dedicated teachers. Bibles were given in their language. Blankets and Health Kits as well as clothing were provided.

D. Mt. Moriah had Bible study in Spanish each Tuesday evening, taught by Rev. Larry Maze and Buddy Dana. The children were taught in English.

E. Main Street ministered to the French speaking. The van from Main Street brought the Haitians from Riley Jones Camp into the church on Sunday mornings. They had the Sunday School lesson in French and then stayed for the Morning Worship.

F. Ebenezer's Brotherhood, directed by Terry Gilliland and Talmadge Cannon, ministered to the Whit Johnson Camp on Thursday evenings. Attendance was the best ever.

G. Etowah ministered to the Galloway Camp in Mills River.

NEW WORK

More than 500 Spanish live in Henderson County permanently. Services were begun in November on Thursday evening with a dinner and Bible study in Spanish. They ask to meet twice each month, which they did beginning in March.

DIRECTORS:

Naples	Mrs. Alice Trantham
East Flat Rock	Mrs. Sandy Campbell
Hendersonville,First	Mr. Jim Hammond
Mt. Moriah	Rev. Bill Willingham
Etowah	Rev. John Rymer
Ebenezer	Terry Gilliland and Talmadge Cannon

Evangelistic Services were held at Camp Bearwalla on September 9 and 16. A picnic lunch was served at 2:00 p.m. Rev. Flor Morales preached in Spanish in the Chapel. Rev. John Rymer preached in English in the Pavillion. People were transported by busses and came in their own cars. Churches of the Association provided food under the direction of Mrs. Sandy Campbell. Rev. and Mrs. Jenkins supervised the food. We thank God for all these workers including the teacher for the children. Souls were saved.

Jesus said, "And ye shall be witnesses unto me in Jerusalem, Judea, and Samaria and unto the uttermost parts of the earth." Acts 1:8. Our Jerusalem is Henderson County.

Irma Roberts, Mission Store Operator

FAMILY LIFE COMMITTEE

The Committee on Family Life has taken steps to enlist a Family Life representative for each church in our Association during the coming year. In an effort to promote Christian Home Week (May 5-12, 1985) we need their help in co-ordinating programs and to work with the Association to promote activities in the local church.

Two of our committee members attended the Marriage Enrichment Seminar offered at Caraway Conference Center in August, and will be available to help with work in this area in our local churches.

We feel a great need to begin working on a ministry to the single, divorced, and separated in our Association, also, tentative plans have been discussed for a work we hope to begin this year, a couples prayer retreat, possibly in the spring of 1985.

Together, with your prayerful support, we can reach out to meet those special needs confronting us from day to day.

CHURCH DEVELOPMENT COUNCIL

The Church Development Council has met four times during the past year. This Council is composed of the Department Directors of the Program Ministries of the Carolina Baptist Association. Our work is to plan, promote, and encourage the work of our Association in the areas of Sunday School, Church Training, Missions, Youth, Music, Media, Vacation Bible School, Senior Adult and Seminary Extension.

This leadership is made available to assist the churches of our Association as the need arises and as the request is made. Realizing that each church has needs and ministries unique and different from other churches, we seek to give encouragement to the local churches to seek out the resources and opportunities made available in our area. Using the Annual Calendar and seasonal needs and emphasis we seek to coordinate the resources, meetings and training opportunities that are scheduled throughout the year.

Mervin J. Garrison, Chm., Church Development Council

SENIOR ADULT

We rejoice that from seven (7) organized groups of Senior Adults in January of '83, we now have seventeen (17). These are: Balfour, Barker Heights, East Flat Rock, Etowah, Fletcher, French Broad, Fruitland, Hendersonville First, Main Street, Mt. Gilead, Mt. Moriah, Naples, Saluda, Shaws Creek, Upward and West Hendersonville. If there are others which are not listed, or who would like to organize, please call me 685-8343.

I feel fortunate to have the privilege of working with this group of people - "the cream of the crop." I want to thank the pastors and all the leaders of our Senior Adult groups who have helped to make possible a wonderful year. I was so proud of those 58 who went to Asheville for the area workshop on a rainy day in March. We had more present that all the other Associations combined.

Our three Associational Senior Adult meetings have been well-attended with an average attendance of 80. We met at Fruitland, Camp Bearwalla, and Saluda. Those presenting our programs were Mrs. Ruth Kersey, concerning ministry to the Homebound and Mrs. Pauline Reese, who challenged us to share her joy in visiting those in the nursing homes. Our other two programs were centered on witnessing. Sidney McGee demonstrated an unique way through Gospel Magic, and Mrs. Hazel Duncan led us in a study of witnessing through media. Always at our meetings there were delicious food and fine fellowship.

This year our Senior Adults gave $205.00 to the camp and paid $38.70 for hot dogs for the two services at camp for the migrants.

The dates of our meetings for next year are on the Calendar. I thank you, and please call me if I can be of help.

Doris McGee, Senior Adult Coordinator

WOMAN'S MISSIONARY UNION

The Baptist Women World Day of Prayer was held November 7, 1983 at East Flat Rock Baptist Church. This meeting was conducted in the afternoon to enable participants to attend "M" Night or the Freddie Gage Crusade. Even with the early schedule, attendance was good. We always look forward to the first Monday in November because on this day women all over the world are united in prayer for their fellowman.

The WMU promoted the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering for Foreign Missions in November and December. Study Courses on Foreign Missions were conducted in a number of churches in the Association.

In February, WMU Focus Week was conducted. This was kicked off with a Calling Tea on February 12, 1984 at East Flat Rock. Also in February study courses on Home Missions were held.

The Week of Prayer for Home Missions was promoted in March. Three women from our WMU Council were able to attend the State WMU Annual Meeting in Fayetteville on March 16 and 17. Carolina Association WMU received Advanced Recognition and was given a book - Annie Armstrong, Dreamer in Action which was presented to the Media Resource Center in the Associational Office.

April was a month of planning and searching for a new WMU Council officers. Praise God for a full slate of enthusiastic officers who were installed at the Annual Association WMU meeting May 7, 1984 at Main Street Baptist Church. Among those officers was Iva Byrd (Mrs. Jim) the new WMU Director.

One thing the WMU would like for you to do is to be looking for records of earlier years as WMU will be celebrating 100 years of WMU in North Carolina in 1986. We need to collect historical records and documents and we need the help of everyone to look for these.

COME GROW WITH US!
Marguarite McCraw, WMU Director

VACATION BIBLE SCHOOL

This year we sent a team of workers to the State Vacation Bible School Clinic, where they were trained in the best methods of Bible School Work. These leaders then conducted two VBS Clinics in our Association for Vacation Bible School Workers in the local churches. Both of these Clinics were well attended. This summer most of the churches in our Association reported having a good VBS.

Our thanks and appreciation goes out to all who worked in Bible School this year. Vacation Bible School is one of the most important programs that we have in our churches.

Let us keep up the good work.

Mrs.Alex Booth, VBS Director

BROTHERHOOD

This has been a year of trying to rediscover our Brotherhood Groups in our local churches. This is also the area I hope we can enlarge on in the up coming year. The main thrust of Baptist Men's work in the past year has been to establish Men's Prayer Groups in every church. Without the proper prayer support we cannot carry on the many ministries and missions that we can undertake.

During the past year, we have had two special Associational Brotherhood meetings. In November, 1983 we had a meeting at Fruitland Baptist Church and in April we had a meeting at Camp Bearwalla, both in conjunction with R.A. meetings. Both meetings were led by several of our North Carolina Baptist Men's Ministries Project leaders. I'm sure the men that attended these meetings were blessed by what they heard and saw. I'm only disappointed that more of our men did not take advantage of these meetings.

Several of our Men's Groups have taken on projects throughout the past year. I wisn they could share with other Men's Groups in other churches the blessings they have received and the lives they have touched while doing the Lord's work.

I hope to be able to inform more of our churches of the opportunities that are available to them in their own church, our association, our state, our country, and our world.

We must remember the main purpose of the Brotherhood is - to involve men and boys in missions.

Timothy P. Jones, Brotherhood Director

ROYAL AMBASSADORS

Our Royal Ambassador program in our Association has been more active this year than in the last several years. Last October your Associational leaders attended the Sports Interpretation Clinic for R.A. sports and learned enough about the program to sponsor a R.A. Basketball Tournament. Later in the year we held our R.A. Track Meet at Edneyville High School. French Broad Baptist Church won the meet and went on to the State Meet later that spring. R.A. sports are designed to be a drawing card for the local churches to be a time of fun and fellowship for the boys. I believe we accomplished this last year.

R.A.'s would be impossible without dedicated trained leaders. Last November our Association sponsored a R.A. Leader Training Clinic at Fruitland Baptist Church. Several churches attended and they benefited for it.

The big event of the year was R.A. Camp at Camp Bearwalla. We didn't have as many boys at camp this year as we did last year but I believe the results were greater. On the last night of camp EVERY man and boy there was touched by God and made some kind of decision. It was a great experience.

During 1984 and 1985 we are planning on an R.A. Training Clinic at Hendersonville on October 16. Also being planned are an R.A. Half-court Basketball Tournament and an R.A. Track Meet and R.A. Camp.

Walton L. Marsh, R.A. Director

ASSOCIATION YOUTH

This has been a year of new heights for our Association Youth work. God has richly blessed us with an outstanding Youth Council and many dedicated volunteers. Much work has been put into our Youth Program this past year and I am looking forward to many more blessings to come.

The Youth Council worked diligently to put together our Association Youth Lock-In which was held in January. It was held at the Hendersonville YMCA and over 300 youth participated. This was an exciting time to see hundreds of youth come together for a time of good Christian fun.

In March, the Youth Council brought "Carmen" to Hendersonville for a fantastic concert. Many decisions were made and God used this superb Christian musician to minister in song to over 800 people.

This summer showed many more exciting activities and Bob Lowman, our Summer Youth Worker, truly ministered to many churches and youth in our Association.

Our summer Association Youth Camp was a tremendous week of spiritual growth, fellowship and lots of fun. Butch Dillingham, a Youth Corp worker from the Baptist State Convention, was a bright spot during the week.

As another year has come to an end, it is time to lay aside the past and focus on the future. There are many needs to be met for the youth of our Association and it is my prayer that Carolina Baptist Association continues to meet some of those needs. Help us teach our youth that the Christian life is the most exciting thing that could ever happen to a person. Support our Associational Youth Work.

Steve Underwood, Youth Director

OFFICE LOCATION COMMITTEE

The Office Location Committee of the Carolina Baptist Association has met several times and looked at many locations. We considered one location on Highway 64 East - the old Wilson Furniture Building. We felt this location was good buy and could be remodeled for a good office building. This we presented to the Association at a called meeting on June 17,1984. Twenty-seven voted to buy and 23 voted not to buy. The Committee met several days later and were of the opinion that the vote was too close and that it would be wise to go back to the Association and ask that we not proceed with this purchase under these circumstances. The Association accepted the Committee's recommendation. We are still looking. We realize the need for an adequate office building but without sufficient funds we cannot buy property.

Robert D. Linder, Chm. Office Location Committee

CAMP BEARWALLA

A wonderful thing to behold is God working in the ministry of Camp Bearwalla.

The facility has really been a spiritual retreat this summer with 2,600 individuals registering for training retreats, Bible study, camping and other activities. But one of the greatest blessings was the 208 professions of faith, 386 rededications and 422 other decisions. Twenty-two of these were 22 dedicating themselves to full time Christian service.

We are grateful and conscious of the devoted and sacrificial efforts of our churches. The record shows a mark increase in interest and attendance by our churches and individuals with a growing concern for a continuation of the physical improvements. Another great asset this summer was our staff, Roena Condrey, Brenda Keller, and James Reed. They served many long hours and did an excellent job.

Our church leadership is aware of the fact that we desperately need to teach our people, young and old alike, the real meaning of the Bible, stewardship, missions, etc., making the camp an important instrument in this endeavor. The rank and file of our churches need to arouse the people into action by increasing their support and use of the camp.

Many have given and worked at the camp this year and it would be impossible to give all the credit to each one, but the following churches and people have had a great part in God's plan for the camp: Refuge, Mt. Gilead, Tuxedo, Mills River, Main Street, Fruitland, Hendersonville First, French Broad, Etowah, Ebenezer, East Flat Rock, Bat Cave, Balfour, and Mtn. View; all have worked and remodeled cabins and other buildings giving the camp a whole face lifting. Many like Frank Neville, Ray and Lucy Linville, and many church groups have given money for special projects such as remodeling the dining hall, gravel, lights, ice machine, etc., Louis Spearman donated a $800 pool cover. George Denton built partitions in all the bathrooms, Bobbie Arrowood has cleared most all of the hiking trails. Dr. John McGee has mowed the lawn and ball field every time it has been mowed this year using his mower and tractor plus, many, many other things. There is no way I can give each person the right amount of credit and recognition, but God knows who had done what.

The renovation of the dining hall proved to be a great asset to the camp. Men who worked on the dining hall project were five men from Johnson City, Tennessee, a native pastor from Haiti, Tommy Martin, Rev. Allen from South Carolina, Bobbie Arrowood, John McGee, James Reed, Bob Campbell, Bob Shehan and Mr. Westall gave $1,000 in plumbing. These renovations have really paid off this summer.

We have become more keenly aware of the obligation and responsibility of Ron Pinkerton, our Director of Missions and our camp committee who have given of themselves unobservably. They are determined to bring about the realization and true concept of what this property can mean to the Association. We can offer no deeper words of appreciation to all the program planners, leaders, counselors and campers than to say truly it has been a great summer because of you. All the success and accomplishments is due to the leadership and guidance of the Holy Spirit of Whom we give God the praise.

E.J. Jenkins, Camp Director - John McGee, Camp Council Chairman

PASTORS' COUNCIL

The goal of the Pastors' Council of the Carolina Baptist Association is t plan programs that meet the needs of pastors. The Carolina Association wa one of the first associations in the state to develop a Pastors' Council During 1984 there were varied programs planned to meet pastoral needs. Th first program of the year was a program on Discipling Church Members. Durin the session pastors came to this idea as to the purpose of the church:

> God's called out people interacting with Him and responding to His revelation in Jesus Christ; seeking to grow in His likeness and to share His being and will with others.
>
> The question: "How does the church accopmlish its purpose?" The answer: "By spiritual growth, Biblical growth, mission ministry to members of the church and Mission Action/Evangelism."

During the year other programs were offered. Dr. James E. Frost came t promote and share with a major growth seminar. Ron Pinkerton has taken tim during the year to work with us in Calendar Planning, and sharing a overview of the book, "To Dream Again." Dr. Gary Chapman brought us Ministries of Family Life Seminar.

We have calendared other events for 1985 and as openings and opportunitie come along other events will be worked in. The work of the Pastors' Counci is to work with pastors developing programs that meet their needs and t help carry out the task of Glorifying Jesus Christ as Lord.

We desire to bring programs that will help and be a support to pastors pastors families, and the churches where they minister. Provide your need to us that we may be able to provide programs that meet those needs.

Bobbie Arrowood, Chm., Pastors' Council

ORDINATION COMMITTEE

The West Hendersonville Baptist Church requested the Ordination Committee t call a meeting for the purpose of examining Reverend Kenneth McCoy fo ordination to the Gospel Ministry. Reverend McCoy was called to a church i West Virginia.

Examination of Reverend McCoy was held June 14, 1984 at the Carolin Associational Office. Only two committee members were available. Rev Bobby Arrowood and the chairman. Director of Missions, Ron Pinkerton, wa invited to participate along with Reverend Charles Magnet. Also observin the question and answer period were Reverend Houston Rider and Reveren Randy Jackson.

After the appropriate question and answer period the committee vote unanimously to recommend Reverend McCoy to be ordained.

GENERAL BOARD

It has been a very rich and rewarding spiritual experience for me to representative the Carolina Baptist Association as a General Board member this year.

The General Board is composed of 110 persons from all walks of life, elected by the North Carolina Baptist State Convention. Each one must be a member of a cooperating Baptist State Convention church which is invited to serve by recommendations and Association leadership.

General Board members although not called "trustees" never the less hold in trust the affairs of the Convention. The General Board is charged with the management of the Convention.

This being my first year as your representative, I have attended the required three meetings, first being in January at our own Caraway Conference Center, then in May at Wingate College and the most recent meeting in September at Caraway Conference Center.

Our North Carolina Baptist Convention meets in Asheville in November, right in our own backyard and this will be a great opportunity for our own Carolina Association to be represented. Important matters to be taken up the deserve prayerful consideration are the selection of a State Secretary/Treasurer and the adoption of our budget for the coming year.

I look forward to representing you for three more years on the General Board and ask that you include me in your prayers that God would use us to further advance His work here in Jerusalem, Judea and the utter most parts of the earth.

Cecil Young, General Board Member

BAPTIST FOUNDATION

In the midst of our attention to space exploration, adventures of scienc fiction personalities, and the real-life exploits of astronauts, the lovabl character of "E.T." was born. He became the object of our sympathy an affection, as well as a source of revenue for his creators. For the Nort Carolina Foundation the letters "E.T." have taken another and especiall significant meaning during the year 1983-84. The most exciting new idea wa the creation of the Endowment Trust - Everybody's Trust. It is now possibl for practically every adult in our churches to participate in sustaine support of Baptist work through perpetual trust. Each of us wishes we coul continue to witness forever. We know that we should plan for such continuin witness. And now each of us can participate in permanent support of ou particular Baptist interest.

The Endowment Trust you can create may be started with as small a gift a $25.00. You may add a tax deductible gift to it as often as you wish, i whatever amount you wish. When the principal attains a minimum which yo predetermine, (usually $1,000.00), then the income earned is distributed t the Baptist cause which you have also predetermined. The income will b paid every year, after year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each yea should place their memorial gifts in the Endowment Trust to honor thes persons, we could increase the support base of Baptist work by six millio dollars each year!

If 1000 of us with vision should honor retiring pastors of faithful churc leaders, or recognize the birthdays of venerable members with Endowmen Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or othe loved one should give them, instead, a trust in their name, we woul instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, widow in Thomasville created an Endowment Trust in memory of her husband Her initial gift was $100.00. At Christmas, she and her children added t the Trust. As this report is being written, five checks totaling $300.00 t be placed in the Trust have arrived from this family "in memory of him o Father's Day!" Surely a more loving and significant gesture is difficult t find. Each one of us has equal access to such joy!

The impact of the E.T. Trust, and the increasing awareness that we each hav a responsibility for eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value o assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is al paid out to Baptist causes or annuitants - was over $535,000 last year. half-million dollars distributed, much of it in the name of persons n longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soo be expanded when a staff person will be assigned this responsibility.

CHRISTIAN EDUCATION

ducation with Christ at the center must ever remain our goal for survival as aptists. The Christian home, the Christian school, and the local church must ver remain the guardians and the citadels for the education of our people. hristian education has ever been the corner stone of our American ivilization.

ur seven colleges in North Carolina - Campbell, Chowan, Gardner-Webb, Mars ill, Meredith, Wake Forest, and Wingate still continue to educate large umbers of our people. More than 15,000 students are enrolled in our seven olleges. We urge all of you to remember Fruitland Baptist Bible Institute in our prayers and gifts.

he year 1984 marks the 150th. Anniversary for Wake Forest University. The aptist State Convention of North Carolina celebrates 150 years of involvement nd partnership in Christian education.

nother mile stone in 1984 is the 40th. birthday of the Council on Christian igher Education, a model of church/ college cooperation in the Southern aptist Convention. The ministry of our Baptist colleges has prospered in orth Carolina due to the prayers and the gifts of the churches and many of ur Baptist Young People continue to attend. Let us remind ourselves once gain that more Baptist young people continue to attend our tax supported tate institutions than attend all our seven Baptist colleges. We must be ver on the alert to recruit new students for our own colleges.

ur Baptist colleges are worth what they cost since they offer the following:

1. A very comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. A challenge to <u>think</u> and <u>choose priority values.</u>
4. An understanding of the importance of Christian Faith and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal, intellectual growth are encouraged.
6. An opportunity to become familiar with the great philosophies and cultures of the past.
7. The motivation to develop a Christian world-view for facing the ncertainties of the future and for resisting the claims of rivals to hristian thought. Baptist young people must be urged to attend our Baptist olleges. It will make a vast difference in their lives.

Robert P. Hamby, Christian Education Representative

CHRISTIAN LITERATURE

Never has there been a greater time than now when Baptists need to be informed. There is much misinformation, exploitation and manipulation in our time. Baptists need to use sources that can be trusted to present the facts as they are and to apply them to the improvement of the denomination.

With the many tensions in the Baptist family due to world conditions and denominational strife, the Bible and quality printed material becomes more important each year. Christians must take an active interest in what is available in their homes, churches and communities. The negative side is to prevent the subversion of evil material, and the positive side is to encourage the use of the good.

Our denomination is fortunate to have dependably good material for all facets of the Lord's work. It can be kept good by the right kind of interest on the part of those who use it. The Baptist State Convention of North Carolina has a good news source in the **Biblical Recorder.** Editor R.G. Puckett has promised that our state paper will be the needed forum where differing views can be expressed. Any concerned editor's bias will show; but we have an editor committed to a fair treatment for those who differ with what is printed.

Among the good things the Civil Liberties movement may have done in America, the liberalization of the regulation of the press has made pornography legal for several publications. A way to combat legal pornography is to boycott any business involved in it. Christians can also express themselves in person and in writing to those who are involved in pornography. The Christian Action League will help those who are interested in an effective resistance to this evil.

Alex Booth, Christian Literature Representative

TEMPERANCE AND PUBLIC MORALS

North Carolina's strong, drunken driving law is now a year old an significant results are noted. After the first nine months, comparison wit the same period a year earlier indicated a 12 percent drop in alcoho related deaths. Highway Patrol arrests for drunken driving went from 33,10 under the old law to 29,009. Second offense arrests went from 2,987 to 108 There was a slightly more than 16 percent reduction in accidents that wer alcohol related.

President Reagan recently signed into law a bill that takes away federa highway funds from states that do not establish age 21 as the minimu drinking age for alcoholic beverages. North Carolina's legislature i expected to raise the drinking age to 21 during the 1985 session.

The North Carolina Assembly has defeated efforts to institute a stat lottery. However it is expected that pro-gambling forces will launch strong effort in 1985.

According to the Christian Action League, North Carolina continues to be th only state in the Southeast to use state tax funds for abortions that ar medically unnecessary. State tax funds are being used to pay for abortion that are for birth control or convenience.

Beloved, our responsibilities are clear. We need to work and pra diligently. Remember, "Righteousness exalteth a nation: but sin is reproach to any people." Proverbs 14:34

IN MEMORY OF WADE W. WORLEY, JR.

Wade W. Worley, Jr., was born November 15, 1939 in Buncombe County, NC and translated December 10, 1984. He was the son of Mrs. Pattie Lassiter Worley and the late Wade W. Worley, Sr. He was married to Judy Sitton Worley and they have two daughters, Cheryl and Patricia.

A graduate of Western Carolina University, Cullowhee, with a degree in education, he taught for 19 years in the Henderson County School system. He was serving as an instructor in Social Studies at Flat Rock Junior High School at the time of his death. His students deeply respected and loved him. His easy going manner made him readily available as a friend and confidant. It was not unusual for students to be around him in public events both at school and at church.

He was a member of Hendersonville First Baptist Church were he served as a Deacon and teacher in the Preschool Division. A fellow worker, Laura Corn, wrote this tribute which describes Wade as he was.

IN HIS TIME: **A loving son, husband** father, dedicated teacher, deacon, good friend, **who had time for** Jesus.

HE SPENT TIME: Together, with his family and ours, sharing love and happiness.

HE TOOK TIME: To speak and smile and talk to everyone. HE NEVER SAID:**"I DON'T HAVE TIME."**

HE FOUND TIME: To drive the Bus: Taking children and adults to retreats, **bringing** the migrants in to church **To attend Meetings:** Sunday School, Training Union, Deacons, Associational, always doing **all** he could to uplift our children's programs.

HE BELIEVED TIME: Spent in Sunday School the most important in church life and found **his** place there teaching fours and taking his turn in Extended Session.

HIS TIME HERE IS UP NOW: His leaving has made us sad, but our hearts rejoice because his **time** now is an eternity with Jesus. Children, parents, Miss Beverly, and teachers will miss him and remember **him** always as a kind and good man **who** had time for Jesus.

Wade was serving as Church Training Director for Carolina Baptist Association, a position he had held since 1981. Wade gave his best to this position as he did in all areas of his life. He set up an Associational Team, met with them regularly, took advantage of training opportunities for himself and his team, offered training to local church leaders, and planned and conducted "M" Nights. Wade's calm, unhurried, friendly presence is greatly missed in the Association.

These 1985 Minutes of Carolina Baptist Associaton are dedicated

IN MEMORY OF WADE W. WORLEY, JR.

IN MEMORY OF JOHN A. SINCLAIR AND IN HONOR OF MANOLAH P. SINCLAIR

John Sinclair was born September 21, 1904. He was a lifelong resident of Henderson County, the son of W.A. and Elizabeth Huntley Sinclair. John graduated from Fruitland Baptist Academy, not Fruitland Baptist Bible Insitute, in 1927. On August 2, 1930 he married Manolah Pittillo, daughter of Mr. & Mrs. L.P. Pittillo of Henderson County. She was also a graduate of Fruitland Bible Academy.

John and Manolah owned and operated Stepp and Walker General Merchancise Store in East Flat Rock for many years. In the mid-40´s they opened Sinclair Men´s Wear on Main Street in Hendersonville, which they operated until 1966.

The Sinclairs joined scores of others in contributing toward the Memorial Tower at the Fruitland Baptist Bible Institute campus. The tower will display names of founders, builders, and donors and will house the chimes. The Sinclair´s contirbution will be responsible for names of family and friends to be placed on the tower in bronze. Since John´s passing on to heaven, many have given to the John Sinclair Scholarship Fund. The income from these gifts will provide training for persons called to church-related vocations, until Jesus comes.

John and Manolah have been faithful and loving members of the First Baptist Church of East Flat Rock where he served as deacon, memberof the choir and Men´s Quartet for many years. He taught the Men´s Sunday School Class for almost 50 years. Manolah has served as pianist and organist since they joined the church in 1921. John and Manolah have been faithful in all areas of church support. Their marriage of 54 years was a shining example of how a marriage should be. Often John would recite a love poem to Manolah at the annual Sweetheart Banquet.

John also put forth his best in working and serving with the Lion´s Club. He served as first, second, and third vice-presidents, and was president in 1947. A fellow Lionsman wrote a poem describing the qualities we knew and loved in John: Doing good, Christ first in his live, a smile, kindness, helpful, humble, and setting an example to follow.

John died unexpectedly June 13, 1985. John loved to sing and now has joined the ranks of the heavenly choir.

These 1985 Minutes of Carolina Baptist Association are lovingly dedicated

IN MEMORY OF JOHN A. SINCLAIR AND IN HONOR OF MANOLAH P. SINCLAIR.

IN MEMORY OF MARY JUSTICE MARSHALL

Mary Justice Marshall was born in Henderson County on January 12, 1988 and she went to be with her Lord on August 8, 1985. She was the daughter of the late Rev. John J. and Violet Taylor Justice and was the widow of the late Earl L. Marshall who was called home to Glory on January 6, 1954. She and Mr. Marshall were married for 47 years.

She was a charter member and one of the founders of the Henderson County Curb Market. Mrs. Marshall, who was better known as "Aunt Mary," received the Lord as her Saviour when she was 11 years of age and faithfully served Him for 86 years.

She was a charter and faithful member of Dana Baptist Church and was a Sunday School teacher for 56 years. She loved missions and was an active, concerned member of the WMU as long as her health permitted, having served as WMU president and in other capacities over the years. When she was able to return to her home after hip surgery in the late seventies, she was still an active G.A. leader, having the girls meet in her home. These girls consistently visited her in during her periodic stays in the Nursing Home.

She was actively involved in the total work of the Carolina Baptist Association, serving as a regular messenger from her church, for approximately 50 years. The last meeting she was able to attend was in 1976 at the age of 90. She loved Associational work and was well known and loved all across the Association.

"Aunt Mary" loved her Lord, her church, her Association, and her denomination. She was burdened for the lost. In her we saw the fruit of the Spirit: love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, and temperance. She was an inspiration to all of us! We loved her and will miss her!

It is to the memory of **MARY JUSTICE MARSHALL ("AUNT MARY")** that these 1985 Minutes of the Carolina Baptist Association are dedicated.

PROCEEDINGS

1. The 108th. Annual Meeting of the Carolina Baptist Association opened at 7:00 p.m. at Mountain Valley Baptist Church with Bible study from Hebrews 1:1-4 led by Dr. George Jones. He stated that God is revealed to man through his Son, Jesus Christ, and man is capable of receiving this revelation and upon these two points, hang all of revelation.

2. Brad Riddle, Naples Baptist Church, led the congregation in singing, "Oh, How I Love Jesus."

3. Mervin Garrison, Moderator, declared this the opening session of the 108th. Annual Meeting of Carolina Baptist Association. Rev. Roy Waldroup, host pastor, welcomed messengers and visitors and led in prayer.

4. The report from the Enrollment Committee was not available at this time, but the Moderator urged everyone to register before leaving. He asked for a motion that those presently registered and all those who will in due time register at this Annual Meeting of this Association be duly elected as the body of this convention. The motion was made, seconded and carried.

5. With the necessary changes which must be made tonight because of the illness of our speaker for the Annual Sermon and another change which will be noted later on, the Moderator called for a motion that we have this as our adopted program for the 108th. Session of our Association. Motion moved and carried.

6. Mervin Garrison had been contacted by Doug Whitfield, speaker for the Annual Sermon, who because of doctors orders would not be able to be present, had asked that the alternate be contacted. The Moderator expressed concern for Rev. Whitfield and ask that Greg Mathis introduce the alternate speaker, Rev. Nathan Blackwell, pastor, East Flat Rock First Baptist Church.

7. Following the introduction of the speaker, the Naples Baptist Church Choir, directed by Brad Riddle, sang "He Put A New Song In My Heart."

8. Nathan Blackwell used John 19:25 as his text and his theme was "Faithfulness." He said, "Faithfulness is a rare commodity in any generation." and brought three points to explain the ministry of faithfulness: 1. The scope; 2. the Secret; and 3. the Significance. Using the experience of John at the Cross he illustrated these examples of faithfulness.

9. Brad Riddle led the congregation in singing, "Victory In Jesus."

10. Mervin Garrison then recognized new pastors and staff members: Kenneth Fugate, Refuge Baptist Church; Sam Gore, Valley Hill Baptist Church; Rudy Aguero, Spanish Mission and Jimmy McKinnish, Minister of Music, Tuxedo First Baptist Church.

11. Hazel Duncan then gave recognition to church clerks. She first recognized the excellent job done by Laurena Helms, Associational Clerk, in preparing for and conducting clinics, and compiling records. The following churches and clerks turned in Church Letters with no errors: Mt. Olivet - Betsy Copililo; Mud Creek - Jeannine Merrill; Refuge - Carolyn Nicholson; Brightwater - Clara Clark; Saluda First - B.M. Barham; Tryon First - Kay Greene; French Broad - Martha Marlowe; Fruitland - Lucy Sitton; Hendersonville First - Beverly Blake; Balfour - Ruby Pruitt; East Flat Rock

D. Other business:

1. Ron Pinkerton reported an enrollment of 155.

13. Brad Riddle led the congregation in singing "Amazing Grace."

14. The Moderator introduced Volunteers On Mission by saying that Henderson County cannot be reached solely by the clergy, that people in the pews must rise up as God calls them and proclaim God in the market place. A number in our Association have sensed the need to go and serve.

A. Migrant and Spanish Ministry:

1. Ruth Kearns, Chairman, Migrant Committee reported on the volunteer work in the Association. Five centers are being operated at this time by Hendersonville First, East Flat Rock First, Naples, Ebenezer and Mt. Moriah. A Spanish Mission has been established at Mt. Moriah and a Spanish speaking pastor, Rev. Rudy Aguero, called. Ruth introduced Rudy Aguero who told of his prayer in Peru to start a mission and the answer to that prayer here in Carolina Baptist Association. Ruth thanked those who had prayed with her for a mission for the Spanish speaking and a pastor to lead them.

B. West Virginia Project:

1. Charlie Hardin, West Hendersonville Baptist Church told of the united effort of the Brotherhood of the Association to raise funds and enlist people to go to West Virginia to erect a building for the Shekinah Baptist Church. Bill Johnson, Etowah Baptist Church, showed slides of the project started on Monday morning and completed, except for wiring, by Friday morning.

C. Foreign Missions Volunteers:

1. Dr. Joe Farrar, a Hendersonville dentist, and Rich Liner, pastor of Hendersonville First Baptist Church, spent three weeks in Tanzania, on an evangelistic and medical missions tour. Dr. Farrar showed slides of the area and related incidents encountered. His slides impressed upon us the tremendous need in this area.

2. John and Doris McGee are now in Togo. We look forward to a report from them later.

18. Ed. St. John led the congregation in singing "Come Thou Fount of Every Blessing," with Sara Jones at the organ.

19. Program Progress Reports

A. Woman's Missionary Union

Iva Byrd, Associational WMU Director, gave the report. WMU in North Carolina will celebrate the 100th. Anniversary all during 1986. In our Association plans are being made for a Birthday Party in each of the local churches on January 8, 1986 to celebrate. The New Toy Christmas Project deadline is December 10, 1985. A Christian witness to the parents will be given as well as toys for the children of needy families. A Missions Fair was begun in February. G.A. Camp will be totally Carolina Baptist Association this coming year and not jointly with Buncombe Baptist Association as in the past.

B. Brotherhood and R.A.

Walton Marsh, Associational R.A.Director, gave the Brotherhood and R.A. Report as a "stand in" for Tim Jones. The West Virginia Project was accomplished through total Associational support. He suggested that R.A.'s in churches do a project for the Missions Fair. R.A. Camp will also be solely Carolina Baptist Association. Seven mature Christian men for Counselors and eight CIT's - young men who are counselors in training - will be needed for camp. R.A. Training sessions will be taught in churches upon request. He expressed appreciation for all those who helped last year.

C. Media

Hazel Duncan, Media Services Director, gave the report. Carolina Media Organization is five years old this year. When it was organized in 1980 twelve churches reported libraries. In 1984 there were nineteen reported. The emphasis of Carolina Media Organization has been training and as one means of reaching this goal, John Woodard, Director, Baptist Historical Collection, Winston-Salem, NC, conducted a Seminar on collecting and compiling history and preservation of records. Balfour Baptist has written and printed a 77 Year History and Locust Grove Baptist Church had their records microfilmed. Promotion will be the theme for the November 4-5 Workshop; Media Support for VBS in January; and Classification in April. The staff members of the Associational Media Organization pledged $10.00 each toward furnishing the Media Resource Center in the new Training and Resource Center and challenged each church Media Library Director and staff member to match this challenge.

D. Music

Ed St. John, Associational Music Director, gave the report. He would like a list of Christmas music, Cantatas, Easter music, special music and collections. This should be books and not inidividual sheet music. A music school will be conducted in local churches upon request. Any suggestions are welcome.

E. Youth

Steve Underwood, Associational Youth Director, gave the Youth Report. The largest number ever, attended the Youth Camp this summer. The "Truth" Concert was sold out. Joint Directors for next year will be Brad Riddle, Naples; Jerry Hyder, Mud Creek; and Gray Little, Balfour. We would like for the Youth Council to include two youth and one adult from each church.

F. Family Life

John Howard, Chm., gave the Family Life Report. He said, "Family patterns are changing and in order to help us meet these changes, Dr. Gary Chapman will be at Mud Creek Baptist Church on October 28 and 29 to conduct a Family Life Seminar."

G. Evangelism

Allen Brummett, Chm., gave the Evangelism Report. "GOOD NEWS, AMERICA, GOD LOVES YOU" Simultaneous Revivals will be held April 6-13, 1986 in our Association. French Broad Baptist Church is distribution New Testaments and other churches were urged to begin plans to participate.

19. Committee on Committees

Tommy Martin, Chm., gave the following Committee on Committees Report. One member is still needed on the Migrant, Evangelism, Membership, Family Life, New Work, Mission Store, and Camp Bearwalla Committees. He recommended the election of those on the printed report. Motion made and carried.

20. Ed St. John led the congregation in singing "Praise Him, Praise Him."

21. Program Progress Reports

A. E.J. Jenkins, Camp Director, reported on the Camp Bearwalla ministry. It is a place of spiritual retreat, growth, and revival. Please come visit. We had 187 professions of faith; 286 rededications; and 590 other spiritual decisions during the past year. All Five Day Camps in the summer are already scheduled and four groups are on stand-by waiting for someone to cancel. All churches have done a good job on their cabins, however there are many other projects for the churches to become involved in at camp. He expressed appreciation for the workers who have helped.

B. Enrollment Report: 95 messengers and 16 visitors, a total of 111.

C. Executive Committee

Mervin Garrison gave the Executive Committee report. Meetings are held in January, April and July and any church wishing to host the meeting is asked to contact the Associational Office. In January, 1985, Harold Sitton was elected as VBS Director; the Site Committee gave it final report and we voted to purchase a lot from West Hendersonville Baptist Church for our new Training and Resource Center. In April the Building Committee presented building plans and projected the cost. The Finance Committee recommended donations, gifts, memorials, and interest free loans as a means of financing the new building. In July, we had approximately $40,000 on hand and in pledges and agreed to begin construction when funds were available to "dry-in" the building. Rev. Rudy Aguero was called as pastor of the Spanish Mission which meets at Mt. Moriah Baptist Church. On October 13, Ground Breaking Ceremonies were held to break ground for the new Training and Resource Center.

D. Treasurer's Report

Leonard Lemmons, Treasurer, gave the Treasurer's Report. In 1979 our income was $25,000 and in 1985 it is over $61,500 to date and will

probably reach $75,000 by the end of the year. We have a challenging and realistic budget which can be reached if churches will double giving from the average of 2% per church to 4% per church.

E. W.W. Willingham gave the Place and Preacher Report. The annual meeting next year will be with Mt. Moriah for the Monday night session and with Mountain View for the Tuesday afternoon and night session. The preacher will be Rev. Rich Liner, First Hendersonville, and the alternate, Rev. A. Harold Sitton brought the Resolutions Report.
Be It Resolved:
1. That we shall take time as the Psalmist said (Psalm 103:2) to "Bless the Lord, O my soul, and forget not all his benefits."
2. That we voice our gratitude to the pastors and members of the Mountain Valley and Fruitland Baptist Churches for graciously hosting this

our 108th. Annual Meeting of the Carolina Baptist Association, and most especially to the ladies of Fruitland Baptist Church for providing us with such a delicious dinner.

3. That we prayerfully uphold and support goals, programs, and plans of this Association and its loyal Director of Missions, Rev. Ronald James Pinkerton.

4. That we express our gratitude to those who have provided faithfully the unifying leadership of the Carolina Baptist Association during the past year in the capacity of Moderator, Rev. Mervin Garrison, Vice-Moderator, Rev. Greg Mathis, Treasurer, Leonard Lemmons, Clerk, Laurena Helms, Historian, Edna Corn and our office secretaries, Hazel Duncan and Beth Marsh.

5. That our pledge be continual and fervent prayer for our Association, our nation, and world; especially for those in places of critical leadership therein.

6. That we make our departure praising and serving our Lord Jesus Christ until we are gathered in such a fashion again or until His return.

These Resolutions respectfully submitted this 22nd day of October in the year of our Lord 1985 by your Resolutions Committee, Harold Sitton, Paul Chandler, Jr. and Billy Dotson.

B. Jane Lewis presented the following recommendation for Dedication of Minutes; Wade Worley, Jr, First Hendersonville; John Sinclair, First East Flat Rock; and Mrs. Mary Marshall, Dana. The recommendation was accepted.

C. E.W. McMurray gave the Annuity Board Report. He suggested all churches update their employee retirement.

D. Ron Pinkerton gave the Building Committee Report. He reported that we have $23,000 in interest free loans for 4 years; $19,000 in gifts; and $6,500 in pledges. We can begin construction since we have enough to dry-in but not brick at this time. He requested all churches to set a goal and have a part in the building. A Fund Raising Committee will be appointed to work with the churches.

32. Ed St. John led the congregation in singing, "Jesus Saves."

33. Ron Pinkerton, Director of Missions, gave his report on "Wholistic Missions" using Acts 1:8. "Ye shall be my witnesses." Like it or not we are witnesses either enlarging the kingdom by drawing others to Christ or driving people away from Christ. How about our stewardship? How do we as churches use our tithes and offerings given for God's work? We hope our new building will become a command post for an army doing God's work here. He thanked everyone willing to work on our team of churches.

34. The Budget for 1986 was adopted without opposition. We did not meet the budget for last year, in accepting this new budget of $98,000 we must ask our churches for an increase in Associational giving. Mervin Garrison commended Ron Pinkerton, Director of Missions, as one of our most valuable assets and leader in our area.

35. Alex Booth introduced the speaker, Dr. Hugh Garner, pastor, First Baptist Church, Waynesville.

36. Dr. Earl Lieneger, Mars Hill College, sang, "Fill My Cup, Lord."

37. Dr. Garner used John 6 and Galations 5:23 as his text. Jesus knows his people and their needs. Jesus provides for those needs through what is placed at His disposal. He then calls servants to dispurse his goods to his

people.

38. Mervin Garrison asked Ron Pinkerton and Greg Mathis to join him and that all join hands as he led the benediction.

39. The 108th. Annual Meeting was adjourned.

A TRIBUTE TO JOHN SINCLAIR

HE SO LOVED HIS LIFE

In honor and memory of our friend and good Lion,

John Sinclair

His life was spent in doing good,
In helping others all he could,
He put Christ first in all he did,
And never placed himself in God's stead.

He always met you with a smile,
He was an influence for right all the while,
He lived his life each and every day.
In such a sweet and kind and helpful way.

He was humble and kind and pleasant to meet,
To all his friends he was a treat,
He set examples for us all to follow,
And his life was never hollow.

Much he will be missed as he is gone,
Although there are others to carry on,
The way he lived and the example he set,
For our Lion's Club was a great asset.

DIRECTOR OF MISSIONS

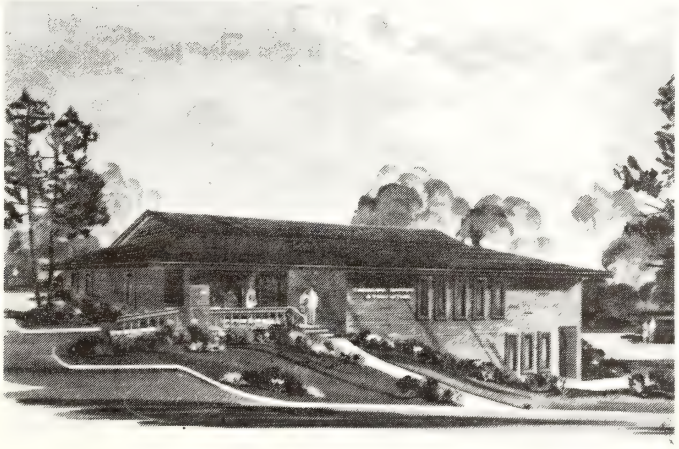
In many ways this has been a very frustrating year for me in Associational work. We have been without a Sunday School Director for most of the year. We voted to adopt a budget which our churches did not support. We enthusiastically voted to build a Training and Resource Center but very few have actually been willing to become involved in this project. Our Ministers' Conferences and other associational events have been poorly attended.

The bright spot of our work this year has been the Spanish Ministry. The Migrant Committee has worked tirelessly in trying to get a Spanish congregation started. Rev. Rudy Aguero was called in July to be our Spanish minister and arrived on the field in late August. The work has started to grow and we look forward to some wonderful things taking place in this ministry.

Another bright spot was a group of Baptist Men who raised $16,000 and went to West Virginia and constructed a church building for the Shekinah Baptist Church. This shows what can happen when people put their mind and heart into a project.

"Unity" seems to be a popular word but I believe this is the key to the future of Carolina Baptist Association. The new building can be a physical focus of this unity - a common goal we can all work toward and feel good about when the work is accomplished. I hope **every** congregation will get involved and be able to say, "we had a part in building this Training and Resource Center." Then we can all dedicate that building to our Lord for Him to use as the heartbeat of His work in this area.

Ron Pinkerton, Director of Missions



HISTORIAN'S REPORT

As we have met the "Challenge of Changes" this past year, we have seen much accomplished in the work of the Lord in our Association. We feel that in every area of our work - that is, in every organization in our Churches and Association - it is definitely "God's Work." Much has been done, and with the cooperation of all our Churches which make up our Association, much more can be done.

God has given us some of the best leaders and Pastors in the Southern Baptist Convention, and we should follow their leadership and daily hold them before the Throne of God. Our Director of Missions, Rev. Ron Pinkerton, was presented a PACT Certificate, certifying that he had successfully completed the requirements for PACT Consultant. Ron Pinkerton is continually leading us to higher heights for the glory of God.

We praise the Lord for an answer to prayer concerning a new office building, which will be called "The Training and Resource Center." On January 22 our Association made a very bold decision to purchase a piece of property from the West Hendersonville Baptist Church for the location of our new Associational Office Building. The Moderator appointed a Building Committee as follows: John Rymer,Chm., George Denton, Harry Hoots, Jr., Harold Blythe, and Jerry Guice.

Tuesday, April 23 was another milestone for our Association. The Executive Committee voted, without opposition, to proceed with the construction of our building as money is made available. On Tuesday, July 23 the Executive Committee, by faith, voted to begin construction and "drying in" the building as soon as funds were available to complete this phase. We are looking forward to the "Ground Breaking Ceremony" on Sunday, October 13. According to the records, our first Associational Office was in 1946 in Room 8, Hunter Building (corner of Main Street and Fourth Avenue); 1955 on Blythe Street in the home of our Director of Missions, Clay Barnes; 1966 in the Huggins Building (Main Street); 1968 moved to the Mission House on Pine Street and then back to the Huggins Building; 1969 to Room 203 Staton Building (corner Church and Fourth Avenue); 1980 to our present site (211 Seventh Avenue West). Very soon we hope, by the Grace of God, to be at the corner of Hebron and Willow Streets.

We rejoice with Mrs. Ruth Kearns and the Migrant Committee in the challenge that was met this year in calling a Spanish Minister, Rev. Rudy Aguero, to minister to the Spanish speaking residents. Rev. Aguero began his ministry the last week in August.

Some Historical events reported by some of our Churches:

Balfour Baptist Church compiled and published a 77 year History of the Church.

Bat Cave Baptist Church dedicated their picnic shed.

Crab Creek Baptist Church is building a new sanctuary.

French Broad Baptist Church established and dedicated their Media Library Center, Mrs. Helen Brown is Media Library Director. They also purchased two acres of land next to the church property for expansion.

Mills River Baptist Church celebrated their 150th. Anniversary.

Mountain View Baptist Church had a note burning for the Parsonage and Fellowship Building and appointed a Historical Committee.

Oak Forest Baptist Church presented their pastor, Rev. Clyde Rhinehart, a plaque for 40 Years of Service.

Pleasant Grove Baptist Church organized R.A.'s and G.A.'s.
Shaws Creek Baptist Church dedicated their new steeple on March 17. A.J. Nanney was elected a Lifetime Deacon.
West Hendersonville Baptist Church celebrated their 50th. Anniversary. They sold a lot to Carolina Baptist Association for $5,000.

A group of men and women from our Association, led by Charlie Hardin, of West Hendersonville Church, went on a mission trip to Keyser, West Virginia to help build a building for the Shekinah Baptist Church.

West Hendersonville Baptist Church is in the top 500 churches in the Southern Baptist Convention in number of Study Course credit earned, with 95 credits during the reporting period of October-December, 1984.

East Flat Rock First Baptist is 17th. in the top 25 in baptisms for the state of North Carolina.

Rev. Mervin Garrison, pastor of French Broad Baptist Church and Moderator for Carolina Baptist Association, was awarded a $200.00 Scholarship for the "Managing Today's Churches" Seminar sponsored by Babcock Graduate School of Management at Wake Forest.

Michael Capps was our summer Youth Worker this year and did a tremendous job.

The following men were ordained this past year to the Gospel Ministry: Ivey Thomas - Bat Cave; William Barnwell - Etowah; Kenneth Reaves and Michael Illif - East Flat Rock First; Labron Crisp - Mud Creek; Brad Riddle - Naples; and Tommy Justus and Lee Black - Refuge.

Changes in Pastors:

Rev. Ronnie Boone	Barker Heights Baptist Church
Rev. Jim Byrd	Valley Hill Baptist Church
Rev. Bill Freeman	Horse Shoe Baptist Church
Rev. Gene Adams	Mountain Valley Baptist Church

New Pastors:

Rev. Lawrence Goodman	Ebenezer Baptist Church
Rev. Houston Rider	Middle Fork Baptist Church
Rev. Roy Waldroup	Mountain Valley Baptist Church
Rev. Kenneth Fugate	Refuge Baptist Church
Rev. Sam Gore	Valley Hill Baptist Church
Rev. Luther Capell	Zion Hill Baptist Church

There are many other events that have taken place which I'm sure will be mentioned in other reports, so be sure to read all of the Advance Book of Reports.

God has called home two of the great supporters of our Association, dedicated Christian gentlemen in all walks of life - John Sinclair, former Treasurer, and Wade Worley, Associational Church Training Director.

As we start the New Year in Associational work, let us continue to meet the challenge and put into action the dreams and desires we have for our Churches and Association. I believe we have got the "Vision" of what God would have us do, the Word of God tells us in Proverbs 29 :18; "Where there is no vision, the people perish: but he that keepeth the law, happy is he."

In the last part of Acts 2:17 we are told; "...your young men shall see visions and your old men shall dream dreams." So let us be able to say with Paul, "...I was not disobedient to the heavenly vision:" (Acts 26:19b).

I challenge you with this quote from one of our Home Life articles ..."Christians are to point to Christ. We do not "carry" Christ into hospitals, nursing homes, ghettos, or prisons. He is already there. WE are to go and mirror Him through our words and deeds of compassion."

Edna Corn, Historian

CHURCH DEVELOPMENT COUNCIL

The Church Development Council has sought to give guidance and leadership to the Program Ministries of the Carolina Baptist Association. Our work this year has been limited by the vacancies in the positions at the associational level. With these positions now being filled, we can look expectantly to the coming year for leadership and support to our churches.

This leadership is made available to assist the churches of our Association as the need arises and as the request is made. Realizing that each church has needs and ministries unique and different from other churches, we seek to give encouragement to the local churches to seek out the resources and opportunities made available in our area. Using the Annual Calendar and seasonal needs and emphasis we seek to coordinate the resources, meetings, and training opportunities that are scheduled throughout the year.

Mervin J. Garrison, Chm. Church Development Council

WOMAN'S MISSIONARY UNION

WMU activities for the past year were varied. Beginning with our training for church WMU leaders held at Mud Creek Baptist Church, with a total attendance of 73 from 9 churches.

Our Christmas Toy Project was a successful adventure with a wonderful response from churches all over the Association.

In February the G.A.'s a had skating party at Hendersonville First Baptist Church. Our first Missions Fair was held at Tuxedo Baptist Church with apporximately 180 people in attendance. We were glad to have our Brotherhood participate with a booth representing R.A.'s.

Our annual meeting was held May 6 at Valley Hill Baptist Church. Carolyn Hopkins, NC Baptist State Convention WMU, a special candle light installation service and a "timely" Fashion Revue, covering 100 years of WMU fashion and history, were highlights of the session.

We have two officers who have completed five (5) consecutive years of service in an Associational WMU office. Instead of quitting, both of these dedicated ladies have taken a different Associational office in which to serve our Lord in this coming year. Thank you, Jane Lewis and Barbara Jean Connell, for your faithful service, may God continue to richly bless you both.

Acteens held their Mother/Daughter Banquet at East Flat Rock First Baptist Church. Numerous other BW, Acteen, G.A. and Mission Friends activities were held including: BW Prayer Retreat, G.A. Camp, and G.A. Day Camp - another first - at Camp Bearwalla.

All new Associational WMU officers received training by WMU State workers in July at Fruitland Baptist Bible Institute. Three WMU's were reorganized and several organizations started.

With an excellent slate of new officers and assistants, we are already busy planning what we hope will be better year than ever before; designed to bring honor and glory to Him through our service in Christian love.

Iva Byrd, Associational WMU Director

ROYAL AMBASADORS

During the past year the Royal Ambassadors in our Association have been very active both in training activities and in fellowship activities.

Our year got off to a good start last October with a R.A. Leader Training Clinic held at Hendersonville First Baptist Church and led by State Convention workers. During the year the Association held training sessions at Valley Hill Baptist Church, Refuge Baptist Church and Etowah Baptist Church.

Our R.A.Track Meet was held April 27 at Hendersonville High School with over 50 boys participating. Every boy received a ribbon for his athletic skills.

The highlight of our year was the week of R.A. Camp at Camp Bearwalla. This year there were 90 boys who went to camp, 41 from our Association and 49 from Buncombe Association. During the week of camp 27 boys came to know the Lord as their Savior, 17 of them from Carolina Association.

I would like to thank all those men and women from our Association who had a part in making our camp a success - our camp nurse, Peggy Barton; our Counselors, Harold Sitton, Billy Smith, Mike Fisher, David Duncan, Paul Decker, and Tom Guthke. Also we thank Rev. and Mrs. Jenkins who made our stay at camp pleasant and nourishing.

Walton L. Marsh, R.A Director

Mr. Jerry Jackson from the Foreign Mission Board gave a very interesting and informative talk on Estate Planning and Planned Giving.

CAROLINA MEDIA LIBRARY ORGANIZATION

Carolina Media Library Organization is five (5) years old this year. On September 21, 1980, representatives from four churches - Balfour, Fruitland, Hendersonville First, and Locust Grove - met and voted to establish an Associational Church Media Library Organization. The purpose is to assist and encourage existing Media Library staff in local churches; to encourage other churches to establish Media Libraries in their churches; and to establish a Media Resource Center in the Associational Office.

Over the five year period, meetings have been held quarterly with emphasis on training, fellowship and assistance to Media Libraries. Two training sessions with Keith Mee, Supervisor, Program Promotion and Field Services Section, Church Media Library Department, Nashville, TN, have been held. Other training on an on-going basis has been provided. Diplomas in Media Skills and Media Services have been earned by Hazel Duncan, Faith Searcy and Mary Lou Jones, and others are working towards their diplomas.

In 1980, 12 churches reported Media Library Directors on their church letters: Balfour, East Flat Rock, Ebenezer, Fruitland, Hendersonville First, Locust Grove, Main Street, Mt. Moriah, Mud Creek, Naples, Oak Forest, and West Hendersonville. Some of these - Balfour, Ebenezer, Locust Grove, Naples, Tryon First, and West Hendersonville - have reorganized and become more active. Those established since then are - Bat Cave, Barker Heights, Bearwallow, Dana, French Broad, and Valley Hill. A total of 19 were reported in 1984.

1984-85 Events: John Woodard, Director of the Historical Collection, Winston-Salem, NC, held a workshop on getting Church Records written, printed and preserved. Churches were urged to have records microfilmed as a means of protection and preservation. He also had helpful information for churches wanting to write the history of their church. Balfour Baptist Church has written and published their history. A training session with Keith Mee on How To Process, was conducted for all churches in the Association, adjoining Associations, and churches of other denominations.

This year the theme for the Annual Banquet was, "A Look at the Future." Hazel Duncan, took a look at the past five years and plans for the next five years. Some long range plans discussed were studying Media Library space, furnishings and equipment needs for the new Training and Resource Center to make recommendations for purchases; to set up and maintain the new Media Resource Center; and to ask Media Libraries in the Association to assist in furnishing the new Media Center. 1986 goals were to establish Media Libraries in four other churches; to set up a list of volunteers to assist in processing materials; and to follow-up on our continuing goals.

Key Leadership Conferences at Ridgecrest was attended by the Director, who also assisted Cowee Baptist Church and Polk Association and churches in Carolina Baptist Association.

Planning, training and service are the watchwords of Carolina Church Media Library Organization. Media Libraries undergird all of the programs of the church and association. A Media Resource Center/Library can be a partner with pastors and church leaders in all areas.

Hazel M. Duncan, Media Services Director

YOUTH

It is sad to think that another year has come and gone but very exciting to know that a new one is opening up for us. I am pleased with our work for the youth in our Association, for the Association Youth Council, workers, Youth Ministers, and youth for the accomplishments of the past year.

This year's Youth Council proved to be an excellent group of youth and it was an honor to have been able to work with them. They proved to be concerned and also very dedicated to our goal of ministering to the youth in our Association.

What a fantastic evening it was when we saw Hendersonville High School's auditorium filled with youth who had come to be ministered to by the music of TRUTH. It was so exciting to see all the youth making decisions for Christ.

And what a Youth Camp we had! Michael Capps and his staff brought us the largest attended week long youth camp ever in our Association. Many lives were touched and changed because of this ministry. A special thanks to Michael, his staff, the staff of Camp Bearwalla, and especially to God for allowing us to have Camp Bearwalla.

I know that God wants our Association to be actively concerned about the youth in our Association. If all of our churches would join together, we could turn this area and its youth on for Christ.

Many are needed but too often few volunteer. Youth are needed to serve as Youth Council members, adults are needed to serve on Youth Council and to help in administration and motivating their own youth and churches. Youth Ministers are needed to step outside of their church for a few hours and to share their abilities with others. Any one can help, as long as they are willing.

Please join us this year in working towards winning the youth of Henderson and Polk County to Christ. Remember, you may be the only part of Jesus that the youth in this area see. Get excited and get involved!

Sincere thanks for allowing me to serve.

VACATION BIBLE SCHOOL

Harold Sitton, Associational VBS Director, is to be commended for his first year as director. Harold enlisted a team which attended the State VBS Training Clinic in Brevard, planned and conducted the Associational VBS Clinics at East Flat Rock, and is in the process of planning for VBS in 1986. Keep up the good work, Harold.

This is an appropriate time to pay tribute to a lady who has earned the title of "Mrs. Vacation Bible School" - Mrs. Bea Booth. Bea has served as Director of Vacation Bible in Carolina Baptist Association for the past 17 years. She has enlisted Associational VBS teams, made arrangements for them to attend State Clinics, planned and conducted Associational Clinics which have been informative, practical and inspirational. She has encouraged churches to take advantage of this prime time to reach children, youth and adults for Christ in a setting that is less formal and the continuity is greater because of daily sessions.

My personal tribute to Bea is for inspiring me to try to be the best VBS Director possible in order to do the best job to reach others for Christ. On a gloomy, rainy night in 1967, I attended the VBS Clinic. Listening to the rousing music of the Joint Worship Service, preceeded by the parade of Bible and Flags, the Scripture passages and Bea's enthusiastic information about a Standard Vacation Bible School, the rain and gloom were forgotten, and I felt challenged to be the best VBS Director ever and to achieve that impossible dream - A Standard VBS. It took work, prayer and planning, but Locust Grove Baptist did have a Standard Vacation Bible School that year. This is just one of many examples of Bea's dedication, spiritual depth, and inspiration to us. Thanks Bea for a job well done.

1985 Statistics:

State VBS Clinic attendance	12
Associational VBS Clinic staff	13
Total attendance	107
Number of churches reporting VBS	23
Attendance	2,427
Professions of faith	68
Rededication or Commitments	31

MISSIONS MINISTRIES COUNCIL

We have much that needs to be done by the members of our 53 Baptist Churches in Carolina Association.

The work among our Spanish speaking residents is growing and we anticipate a permanent place of worship in the weeks ahead.

We must continually reach out to the new-comers moving into our area. Is your church growing? Every Christian Engaging in Ministry should be the goal of each congregation of Believers.

Has your church elected a Missions Committee? Please send the names of your Missions Committee to the Associational Office.

Only **WE** - local Baptist Church members - will meet the needs and reach the people living in the area of our Carolina Baptist Association.

"The fields are white unto harvest" . . . Will you labor for His Vineyard?

Audrey E. Saunders, Chm., Missions Ministries Council

EVANGELISM

GOOD NEWS AMERICA, GOD LOVES YOU. This is the message that the Christian community has for a world that does not know Christ. This is the message that we as Southern Baptists are to proclaim. Because Jesus Christ is the **GOOD NEWS**, we have chosen this as the slogan for the national simultaneous revival efforts of our Southern Baptist Convention. Every state in the union will be participating in this simultaneous effort to reach the lost for Christ.

Preparations are underway for our participation as an Association in this great evangelistic effort. The Key Leadership Conference has been attended and church participation forms have been mailed to all associational churches. These forms will be used as a guide by the committee in further preparation. The national goal is for 80% participation among our churches. To date less than 15% of the churches in our Association have made definite plans to participate. Now is the time. Let's work together to make this outreach effort a success.

The dates for revivals in our Association are April 6-13, 1986. America has experienced revival before and we are in need of revival now. Begin now to **PRAY** for revival in Henderson and Polk County and throughout America. Let us pray and work together trusting that God will honor our efforts and bring Spiritual Revival to our nation.

Allen Brummett, Chm., Evangelism Committee

MIGRANT COMMITTEE

"The world is at our doorstep" and most are without the Lord.

The Migrant Committee has had a very eventful and full year. We feel God has blessed our efforts.

Two phases of work:

A. Migrant Ministry
Naples Church ministered to the Riley Jones Camp with Bible study in both English and Spanish.
East Flat Rock ministered to several camps with Bible study, lunch, clothes, Bibles and blankets.
First Baptist of Hendersonville had a Spanish Ministry with English Bible study for wives and children. They received lunch, clothes, Bibles and blankets.
Mt. Moriah had a Tuesday night Bible study in Spanish
Ebenezer had Thursday night ministry of Bible study at Whit Johnson's Camp.

Average weekly attendance was 150. We praise the Lord for this work and for the souls saved.

B. Spanish Mission
God has provided us with Rev. Rudy Aguero to be pastor of our Spanish Mission which began weekly on January 13, 1985. Since the pastor arrived, average attendance has been 40. There are more than 500 living in Henderson County year round.

Jesus said, "Ye shall be witnesses unto me in Jerusalem and Judea and Samaria, and unto the utmost parts of the earth." Acts 1:8. Henderson County is our Jerusalem.

MISSION STORE

The Mission Store gave $1,607.40 in clothing and other items. We also gave $500.00 to I.A.M. AND $1,000.00 to Pardee Hospital Chaplaincy Program. This is a total of $1,500.00 in money.

FAMILY LIFE COMMITTEE

The Family Life Committee met early in the year deciding upon appropriate goals to meet specific needs. An educational program was designed and implemented with the final meeting of the year serving as an evaluation of the effectiveness of the committee during the year. The need areas and specific programs were:

1. **Parenting.** The Systematic Training for Effective Parenting (STEP) program was offered with each Association church invited to send a representative. This representative after completing the eighteen hour course could check out materials from the Association and present it to interested parents in their respective churches.

2. **Marriage Enrichment.** Rev. and Mrs. Garrison completed a training seminar in order to offer to church families a "marriage retreat". This work shop was not designed for couples in difficulty but for couples, primarily church staff, to better understand their marriages. The goal was not only personal marriage enrichment but also skill development in assisting other couples in their respective churches. The retreat was scheduled in May at Ridgecrest.

3. **Stress in Ministry.** Conscious of the stress upon pastors and their families because of the nature of ministry, the Family Life Committee invited Rev. Howard Doerle to lead a workshop. Rev. Doerle, an experienced pastoral counselor with the Life Enrichment Center of Morganton, conducted the workshop in August and provided participants specific tools for identifying stress levels and techniques for lessening stress. This workshop also assisted pastors in their counseling ministry.

4. **Family Life Seminar.** Because of the effectiveness of Dr. Gary Chapman last year, it was decided to invite him back. His seminar, open to all churches and scheduled for October 28-29, 1985, will differ from last years presentation but will focus on specific family life issues for 1986.

5. **Professional Counseling Referral.** All professional counseling services, agencies, and individuals in our area were invited to answer a questionnaire about their fees, approach and willingness to work with pastors. Those who responded are kept on file in the Association office for pastors to review prior to referral.

6. **Singles.** The Committee was sensitive to the need for singles ministry within our Association. Several committee members volunteered to work through the Director of Missions in addressing this specific area.

John Howard, Chm., Family Life Committee

ORDINATION COMMITTEE

Requests were made for examination of three candidates for ordination during the 1984-85 church year. They were as follows:

Edward Capps on request of the Mountain Valley Baptist Church

Ivey Thomas on request of the Bat Cave Baptist Church

Lee Black on request of the Refuge Baptist Church

All three candidates were recommended unanimously for ordination by the committee and were ordained in their respective churches.

The chairman expresses deep appreciation to my fellow committee members for their diligence and perception in the process of further preparing candidates for ordination to the Gospel ministry. Every session has been conducted in the spirit of love and encouragement for fellow ministers who go out to serve our living Lord.

Earl Haynes, Chm., Ordination Committee

COMMITTEE ON ORDINATION

STATEMENT OF POLICY AND PROCEDURES

The churches of the Carolina Baptist Association have been asked to refer candidates for ordination to the Committee on Ordination for examination. However, each church being autonomous can conduct its own examination if it desires. It is recommended that ordination into the Baptist ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist ministers. It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Committee on Ordination and that the ordaining church retains sole authority in determining whether a candidate is to be ordained. The Committee's function is to make a recommendation to the ordaining church. The other purpose of the committee, as the committee views its own work, is to offer brotherly counsel to those who are just beginning their ministry.

The Committee makes the following observations for consideration by the churches:

(1) BY-LAW 1V; section 4 states: The Committee on Ordinations composed of six members, shall, when requested by a member church, assist with examination and ordination of a candidate for the Gospel Ministry.

(2) If the recommendation made by the committee is to be thoughtfully and prayerfully considered by the church, the date of the ordination service should not be announced until the church receives the recommendation of the committee. In any case, the committee will not allow its recommendation to be influenced by and such action by the church.

(3) The Committee does not have the opportunity to investigate the character and reputation of candidates. It will assume that a church in referring a candidate for examination will assume the responsibility for determining that the candidate leads a life worthy of the Christian ministry.
(4) It is requested that reference for examination be confined to candidates who have been called to a particular place of service. (e.g.. Pastorate, Mission field, chaplaincy)
(5) A two weeks notice is requested before Committee on Ordination examination.
THE EXAMINATION: The examination of the candidate for ordination will cover the following matters:
(1) Biographical statement as to Conversion, Call to the ministry, Previous positions held in Baptist churches, Secular employment, Education (high school, Advanced education, and plans for any further training).
(2) The particular views of the basic Christian doctrines at this stage of his intellectual and spiritual development. The Committee suggests the following topics which will be asked by individual members of the Committee:

1. The Bible and Revelation
2. Sin and the Nature of Man
3. The person and work of Jesus Christ (including incarnation, atonement, resurrection and the meaning of salvation)
4. The Holy Spirit
5. The nature of God
6. The Nature and Purpose of the Church (including its ordinances)
7. The Christian Life (including its personal and social responsibilites)
8. Eschatology and the Christian hope
9. Missions
10. Cooperative Program

Although these topics are suggested, the time frame in which the candidate and Committee have to work may limit the number of topics discussed. The Candidate may wish to present item (1) e.g. Biographical statement etc. in writing.

It is the to be noted that the candidate may request instruction from any member of the committee pertaining to a particular question provided he does not understand the question of does not feel comfortable in his answer.

All of this will be conducted in an attitude of Christian love.

Earl Haynes, Chm. Ordination Committee

CAMP BEARWALLA

It is not camp nostalgia but fruits of realism and the years to come in the lives of our young people that makes camp's spectacular ministries worthwhile. Most of the camp programs embody the best attributes of spiritual commitment developing from our churches. Lot of time the camp program is the cradle of spiritualization of the lives of many.

Just as the camp lies nestled in the geographical heart of Carolina Baptist Association, so can it lie spiritually. The serenity and isolated mountain charm of rustic facilities offer affordable opportunity for nature study, spiritual renewal, solitude, meditation, overnight Bible study, dinners, church outings, prayer retreats as well as week long camping experiences, while enjoying the quaintness of homecooked meals and the unique features of camp life.

The realism of this year was the support and contributions and the attitude of our churches toward the camp. Results from the attendance and participation of 70 different groups were 178 professions of faith, 264 rededications and 567 other decisions with 2,000 growing in spiritual depths.

Added this year is a new bathhouse at the swimming pool, offering restroom facilities for the pavilion, the chapel and the outdoor theater. Almost all the cabins have been worked on by the adopted churches. There are still some available projects for adoption. John McGee, Tommy Martin, and Bob Campbell have been giving one day each week, and sometimes more, to work at the camp. This has been a great asset. Jeff and Susan Pennington and Joretta Wallen worked in the kitchen, making a great contribution. We appreciate these beyond words.

J.B. Pace gave days with his machine in preparing the ground for the bathhouse septic tank. Rev. George Slagel laid blocks; George Denton framed the roof; Bob Campbell, Tommy Martin, Lawrence McCraw, Larry Wade, and Warren Gillispie did the carpenter work; and Frank Westall did the plumbing for the bathhouse. Rev. Slagel, Larry Wade, and Warren Gillispie are from the Alexander church in the French Broad Association. This building will be a great asset to the camp.

Tuxedo Baptist Church graveled the parking lot; Bobby Deaver graveled the newly graded road; Bob and Sandy Campbell donated three overhead circulator fans for the dining room; and Billy Dotson donated a new sofa for the living room.

It is almost an impossibility to give credit for the work done, the honorariums, the contributions and the gifts given in behalf of the camp, but God will honor and reward each one for what has been done.

The Camp Committee held regular meetings throughout the year under the faithful leadership of John McGee.

When men willingly submit to positive commitment, their lives are enriched and God is glorified as the result.

E.J. Jenkins, Camp Director & John McGee, Camp Council Chairman

NORTH CAROLINA STATE MISSIONS

Although our needs may be little different from the people of Africa, Korea or South America, North Carolina is a mission field just like any other place in the world. Here is a progress report on ways Baptists have sought to minister in our own state:

. . .Baptist Hospital has provided treatment for over 25,000 patients during the past year. Over 3,000 patients came from other states and foreign countries seeking specialized treatment. Baptist Hospital recently purchased the very latest in diagnostic equipment, including a machine that uses radio waves and computer techniques to obtain images of the body's organs and tissues.

. . .Baptist Children's Homes of North Carolina will begin a 2nd. Century of quality child care on November 11, 1985.

. . .Baptist Retirement Homes of North Carolina can minister to 275 older persons through the Homes, five group care facilities, nursing care unit, and apartments.

. . .Over 70% of all students in North Carolina Baptist Colleges receive financial aid.

. . .Fruitland Baptist Bible Institute depends upon gifts through the North Carolina Missions Offering. There are no large endowments or other sources of income of this type. Tuition fees must be kept to a minimum to help people called of God after they have married and established their families and are unable to pursue an education in the traditional manner.

. . .North Carolina Baptist Men helped feed more than 15,000 meals during times of tornadoes and hurricanes through their Disaster Van ministry.

. . .North Carolina Baptists have ministries with nine language groups -- Spanish, Japanese, Haitian, Vietnamese, Chinese, Asian-Indian, American Indian, Korean, and Arabic.

. . .North Carolina Missions Offering helps make possible three Happiness Retreats for persons with mental retardation and their families.

All of these ministries and many more are funded by the North Carolina Missions Offering.

GENERAL BOARD

The General Board of North Carolina Baptist has been in session two times this year with more meetings scheduled for the year.

At these meetings reports of the working committees that make up the working force of the Board were heard. The subjects that were foremost in the work of the Board are as follows:

Southern Baptist Convention:
8.5 by 85
8.5 million enrolled in Bible study throughout the Sunday School in 1985
1.5 million baptisms
1500 new churches organized

Baptist State Convention of NC
855,000 by 1985
855,000 enrolled in Bible study through the Sunday School by 1985
150,000 baptisms
150 new churches organized

Much has been accomplished toward meeting these goals but much more needed during 1985.

Good News America - God Loves You (1986)
14 million Southern Baptist sharing the Good News of Jesus Christ. Our Association has voted to participate in simultaneous revivals.

Volunteerism is at a new level throughout the state with many Brotherhoods and Youth Groups and individuals volunteering to go to other states and countries to help in forming and building new churches, backyard Bible studies, building bridges, digging wells, etc. to help spread the Gospel in various ways.

Much interest and work is being shown and done toward improvement and usage of our Caraway and Caswell Conference and Retreat Center located in the state.

The leadership of our new General Secretary-Treasurer, Dr. Roy J. Smith, and Dr. John Bunn, President of the General Board,is proving very beneficial to our North Carolina Baptist State Convention. Both of these men are mountain boys with grass roots in our own area.

I look forward to representing you for two more years on the General Board and that you include me in your prayers on a personal basis, calling my name - Cecil - that God will use you and me together to further the advance of His work.

Cecil Young, General Board Representative

BAPTIST CHILDREN'S HOMES

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During our 100th. year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian intstitution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,176 families.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Western Family Services Area reveals the following highlights:

The emergency care shelters at Forest City and on the Broyhill Campus, as well as the maternity home in Asheville are operating at capacity level.

During the first year into our second century of quality child care, the Moody Family Farms Ministries in Macon County will open its doors to troubled children and youth.

We are grateful for the many friends who have given liberally to enable us to begin the Moody Ministries. Our first building will be debt free.

We challenge the Baptists of Western North Carolina to continue the task of developing resources to maintain this ministry.

Lucy Sitton, Baptist Children's Homes Representative

BAPTIST FOUNDATION OF NORTH CAROLINA

One of the exciting aspects of being a Christian is to feel the joy that comes in serving Christ now as well as having influence on others in the future. Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our life span, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4,478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471.563 during 1984.

Throughout the 65 year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention. Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P.O. Box 1107, Cary, NC 27511-1107.

RETIREMENT HOMES OF NORTH CAROLINA

For over thirty-four years (34), North Carolina Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. At the present time the Retirement Homes are ministering to two hundred forty-four (244) residents who have varying degrees of physical need.

The Administrative Staff and the Trustees have worked diligently in addressing the changing scene of retirement living. There are growing numbers of adults in our society and we must be alert to find the ways by which we can minister to their needs. To support this ministry, you would be interested to know that sixty cents of each benevolent dollar was provided through the Cooperative Program North Carolina Missions Offering gifts.

Physical improvement and change are evident when one visits the Hayes Home. The Nursing Care Unit there can now care for eighty-five (85) persons. Conversion of eleven Hayes Home rooms made this increase possible. It is also operated at 97% capacity at the present time. The Retirement Homes do have vacancies. If you feel that this ministry could benefit you or your family, you may write or call Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, North Carolina 27107.

After more than twenty-four (24) years of service to North Carolina Baptists and the Retirement Homes, President Bill Poole retired. His efforts in behalf of this ministry have been untiring, and he has been able to see substantial growth in this ministry. A Trustee Search Committee is actively seeking the person to become the third President of the Baptist Homes of North Carolina.

The Baptist Retirement Homes' mission is to continue to provide the most important dimension to meeting the needs of older adults -- Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

John F. Rymer, Retirement Homes Of North Carolina Representative

CHRISTIAN HIGHER EDUCATION

Education under Christian auspicies still remains the corner stone of our American civilization.

During the years 1942-44, the Baptist State Convention of North Carolina studied their colleges and evaluated their commitment to Christian Higher Education. The result was the formation of the Council on Christian Education. The Council is now 40 years of age.

Mars Hill College President, Fred B. Bentley has served as president of the Southern Association of Colleges and Schools, the regional accrediting association for North Carolina Baptist Colleges.

Norman A. Wiggins, President of Campbell University has served for two years as President of the North Carolina Baptist Convention (1983/1985).

Wake Forest University celebrated significantly her Sesqui-Centennial, one hundred and fifty years of history, during the years of 1983-84. The Baptist Historical Collection microfilmed free of charge the records of more churches this year than ever before. Eight hundred and seventeen churches have their records stored in this fashion at the Wake Forest Collection. Thomas K. Hearn, Jr., the twelfth president of Wake Forest University has finished this first year in office.

Meredith College is only seven years away from its centennial anniversary and is one of the first colleges in the country to install a new technological device known as the digital switch. Meredith owns its own telephone system.

Campbell University began its ninety-ninth academic year on August 22, 1984. The Law School enjoyed another successful year. The total student body enrolment at Campbell University for the years 1983-84, represented all of the 100 counties of North Carolina, 50 states and 48 foreign countries.

Gardner-Webb enrolled 30 deaf and hearing impaired students in the fall of 1984 compared to fifteen the previous semester. Students can select courses leading to a degree in three new academic programs: (i) A Bachelor's Degree in Communications, (ii) an Associate's Degree in Interpreter Training, or (iii) a Bachelor's Degree in either physical education or religion with a concentration in church recreation.

Wingate College maintains a unique international study-travel program. In the past six years more than 1,500 students have enjoyed this international travel-study experience.

Mars Hill College affirms: that all Christians must face "The Nuclear Threat" and the moral issues of our day in order that civilization may be centered on God's love, fulfilling God's mission rather than centering upon destruction. Total enrolment for our seven schools is 16,690.

Fruitland Baptist Bible Institute needs both your prayers and financial support.

Robert P. Hamby, Christian Higher Education Representative

ANNUITY BOARD

Some might ask, What is the Annuity Board? With 67 years of experience in administering retirement plans, the Annuity Board is one of the leading authorities on church pension plans.

Last year the Board recorded $1.4 billion in assets with a positive cash flow of $65 million.

In 1984 the Board had the distinction of being ranked the second largest denominational pension board and was among the top 150 pension boards in the United States.

The three retirement programs administered by the Board, the Church Annuity Plan, the Convention Annuity Plan and the Voluntary Annuity Plan, are all designed to meet the need of Southern Baptist church and agency staff members.

The New Annuity Plan, effective January 1, 1988, will allow all ministers the ability to generate three dollars for each dollar they contribute. The church will match the individual's initial contribution on a two-for-one basis, up to 10 percent of pay. After the required contributions are made by the individual and the church, the State Convention will match one half of the church's contribution up to $35.00 per month for each participant. Thirteen State Conventions approved the version of the plan which will all allow participation by lay employees serving on the church staff.

The response of the Baptist State Convention indicates the churches are ready to provide their staff members with a good retirement program.

In our Association, we have 33 employers, with 42 members in the plan. Five of these contribute only $33.34 or less toward retirement which was the least amount set 67 years ago. This indicates that some of our churches are 67 years behind in retirement for their pastors and employees. What a shame, this means that these will have a very small retirement. The greatest shame is that 22 of our churches have no retirement for their pastors and church employees. Many have only Social Security when they come to retirement. This is not enough for them to live on and for some it is only an existence.

We earnestly suggest that all churches study the New Plan and up date your retirement plan. If you love your pastor and church employees, show it by providing a decent retirement for them.

E.W. McMurray, Annuity Board Representative

In 1984 the missionary force grew by 2.57 percent to 3,432 of which 343 were new personnel added during the year. There were 215 Career Missionary appointments.

Missionaries sow -- nurture -- and harvest. Some sow and nurture only for others to reap at a later time. But what is important is a continuing sense of obedience to God's call and a personal relationship established in God's love.
